my friend And what use that life if not lived to the fullest Will you really care what people think when you pass i e if you did something that is SSC really really like something you really really WANT nay CRAVE who cares Most people live lives of quiet desperation as the great Thoreau once said And they rarely if ever bring out their innermost thoughts dreams and desires like I do publicly And I ve never been happier So will YOU my friend so will YOU once you do what Colonel Trautman told Rambo in First Blood Part III i e accept the inner you It s YOU And thats what matters And this treatise well if you ve been having thoughts of oh I should not be thinking that way or guilt trips etc as I once did about wanting so desperately to be a sissy well this treatise will BANISH all such thoughts instantly Indeed my writing is not just so erotic not just so unique nothing like our stuff out there but most importantly so REAL life and NO or very little creative license despite a life SO full most can t believe it that you too will be inspired to take the sissy BULL by the horns or penis and just beg to DO And that probably more than anything is why I wrote this book More benefits Well for you sissies and faggots wanna be or not reading this What you think about is indeed what you ATTRACT except most people dont think about it the right way And thats 1 right at the top learn how to THINK the right way this is something I teach in ALL my courses If you re thinking something chances are excellent or second to none that if you do with deep EMOTION it will happen Learn just how in terms of BDSM sissydrom and so forth You ll learn after reading this book why HONEST and open is truly what women like not so much your preferences as a sissy Why NOT being able to control your ejaculation or staying hard is not just a matter of PRIDE for sissies but a level every sissy should aspire to ATTAIN to or the other way around Why cumming in one s pants often involuntarily is the greatest HONOR any sissy could ever be afforded And why even sissies that are GOOD in bed with their penis should try NOT TO BE your TONGUE is what is needed Why PENIS and penis love are often misunderstood and why as I stated so many times in my books specially Cock Worship for Sissies and Faggots and Penis Central but one of them loving PENIS is an absolute MUST I repeat absolute MUST if you want to be a sissy at ANY decent level Why you MUST aspire as a sissy to get to the point where you think nothing but COCK and feet or feet and COCK all day And consequently why you must aspire to hone your servitude skills better than anyone else out there including the TIP of your tongue too if you get my drift How and why and these tips will tell you or these CONFESSIONS you could call them tips as well to REWIRE your sexuality permanently so the above is ALL you think about and attract and trust me just reading do what I say you ll see How to get more comfortable in your REAL skin as a sissy like never before The stunning similarity if done right between maledom and femdom and THIS alone is worth the price and ticket of admission for all reading this What your TRUE first love and how it really happened and we all know we ve all had those experiences teach you a LOT about who you TRULY are and your desires too but you ll learn doublefold and more the real meaning of true love Why you must love his penis not just more than your own thats a GIVEN but why you must love his penis above ALL why his PENIS should ultimately be the focal point you focus on think of everything get to know his DONG better than your own FACE and why and how that will aid more than

anything else in becoming the PERFECT Sissy Even if you already love cock learn how to fantasize about it to a point where that is ALL you think about therefore ATTRACT Even if you aren't really interested in being a sissy a dream sissy a perfect sissy if you're just interested in titillating yourself without the visual porn and REAL life sissydome and fetish well THIS book will do it And much much more by the way Sissy Central our most popular book and Sissygasm Central are must reads along with THIS book For you DOMINANT ladies or men reading this Here are some I could write TOMES here too Learn what your sissy REALLY wants deep down inside chances are excellent and second to none and second to none just flew to Mars not Venus hehe he she is NOT telling you And even if she is probably not all of it probably not in graphic details trust me even me at a certain point I used to be so shy about all this Learn how the MENTAL part of humiliation is really what gets sissies and yourself off and how to take it to the DEEPEST levels possible via what is explained and described in these BASE DEBASE confessions Learn why well two things one LABELS especially the gay straight etc labels of so called sexuality which is VERY fluid and always shades of X and Y as I keep saying are useless and why these same labels when used right can take your submissive and you to levels of bliss you've never experienced before Learn how you can EASILY get straight men to do things they would NEVER dream of in their wildest dreams except they do Hehe Even if you aren't that dominating this book will MAKE you dominant just by reading and understanding the utter lust behind some of the scenes and the why's and wherefore's Even if you weren't interested in having a sissy before you will now and then some Learn how to control your sissy with WORDS this book perhaps explains the axiom of it's all about the mind BETTER than anything else And it's never about her body or even his Learn how external looks are basically always irrelevant all my books teach you that but this book teaches you more than anything else how sissies lust for COCK and FOOT all types provided the MINDSET behind is devious and uber dominant and OPEN and right by extension Learn how your having a cock or even a foot provided the mind is right puts you ahead of the game automatically if you know how to USE it right You'll never feel so good about your body again my friend trust me Learn how being slovenly is not just an excuse to be lazy it's a massive TURN on for your sissy Learn the inner most secrets and how your sissy's mind works and how to use that to YOUR advantage My significant other despite not being into BDSM has graduated from being a simple small town girl like in Garima Madam JI to a cuckoldress and dominatrix lifestyle el supreme Learn how body hair can be a HUGE turn on for sissies FEMALES you will LOVE THIS ONE TRULY Learn how to keep your sissy HORNY and on edge read this with 15 ways to give him the ruined orgasm of his life and have him SALIVATING for MORE this alone is worth the price of admission Perhaps the best part Become the Queen or King you were always meant to be in ALL areas of your life not just sexual The sheer CONFIDENCE you get from all this will be such a boost it will naturally permeate over into areas of your life you never thought before like your work And much much more And that my friend is that Yet another masterpiece or mistress piece from the Real Mc Coy of femdom and everything fetish related And one you MUST have sitting on your mantelpiece or hiding in the drawer whichever the case might be Here is but
