

# basic retail lighting

## Bright ambient lighting

## SUMMARY TABLE FOR "BASIC" RETAIL

	Layout 1	Layout 2
Ambient + Footcandles (fc)	80-90	50-60
Connected Load (W/sf)	1.8	1.9
Energy Savings <sup>2</sup> (%)	45-55%	40-50%
First Cost <sup>3</sup> (material & labor)	No adder	No adder
Applicable Area <sup>4</sup> (sf)	650-850	650-850

1-Actual FC may be 30% lower due to shelving units over 6' tall. 2-Savings compared to current lighting practices in the New England region. 3-Layout 1 and 2 cost the same and represent the lowest cost option. This is based on comparison for "intermediate" and "Higher End" costs. 4-Layout applies to any store within this size range, with meeting light-level recommendations and without exceeding energy codes. Add rows of fixtures for larger stores.

Types of stores: High activity retailing such as mass merchandising, discount stores, hardware, video, fast food, grocery service establishments and sale of bulk or large objects such as appliances or furniture. A destination store that doesn't require lighting to draw customers inside, and that offers inexpensive products and/or significant value for money. Self-service.

Purpose of lighting: To light all objects uniformly, provide good visibility for reading labels and to create a bright, clean, stimulating environment.

### Lighting Strategies

- Exposed sources are effective to project a "discount" or "speedy service" image. Fluorescent sources provide the best value, giving good color rendering, high efficiency lighting with the longest life.
- Use light colored finishes on all wall surfaces to increase overall brightness and reflected light.
- For a greater sense of brightness and consistency with daylight use "841" color lamps. This stands for a Color Rendering Index of 80+ and a Correlated Color Temperature of 4100K.
- Consider neon or colored lights for window displays or to identify departments.

### Lighting Levels

50-80 footcandles ambient lighting.

## BASIC RETAIL FIXTURE SCHEDULE

**A:** 3-lamp Parabolic 2'x4'

**E:** 2-lamp Fluorescent pendant

See page 7 for complete fixture specifications.
