Beeson,2010-12 Does your life seem to be stuck in the mud Do you seem to be living life in a hog pen Natural disasters financial ruin wrongful accusations terminal illnesses Why Do Bad Things Happen It s the question of all humanity Have you wondered where the power and protection of God is and whether or not your God could be behind these things Did God cause the blind man to be born blind Did God cause Job s turmoil After being diagnosed with non Hodgkin s lymphoma in 2000 and being injured at work and needing neck surgery in 2009 the Lord revealed IFHOGG to author Jeff Beeson The acronym stands for increased faith humility and obedience and God s glory received and returned and it s a set of principles Jeff has come to live by and wishes to share with you What makes Christianity unique is Jesus and Jesus modeled IFHOGG perfectly during his time on earth through the good and the bad God hopes for the same response from us an increase in faith obedience and humility and a chance to receive God s glory and to return glory to God His purpose for all bad situations whether given or allowed by him is to prepare us to witness to serve and to love God in a deeper way Dive into Why Do Bad Things Happen and discover how the principles of IFHOGG will enrich your life whether you are going through good or bad times      **Besorah** Mark S. Kinzer,Russell L. Resnik,2021-06-09 The gospel of the life death and resurrection of Jesus of Nazareth has healed countless lives over the centuries but the gospel itself has been wounded through neglect of one of its main components The books of Luke and Acts reveal that the death and resurrection of Jesus are linked inextricably to the destruction and promised restoration of Jerusalem the city that personifies the Jewish people as a whole To highlight this expanded understanding of the gospel Mark Kinzer and Russ Resnik unpack the Hebrew term for gospel besorah as a prophetic message of salvation for Israel and all nations In Luke s besorah the death and resurrection of the Messiah are a sign of the coming judgment and restoration of Jerusalem and the Jewish people a restoration that brings with it the renewal of all creation This prophetic dimension of the besorah is a key to healing the fractured gospel and restoring its power amidst the strife and tumult of the twenty first century      *The Coming Presence* Frank Morehead Thomas,1913      **1 John, Revised and Extended** L. Daniel Cantey,2021-07-28 In 1 John On Docetism and Resurrection 2016 the author elucidated the fundamental principles driving the modern order The latter works according to a novel form of salvation an ontology unto dissolution that the author recognizes as a new manifestation of the ancient heresy of docetism The modern heresy turns on faith in the Christ Idol an idolatry hidden for centuries beneath the cover of Western Christianity Its theological solution requires renewed engagement with the Trinitarian love understanding that love as a function of mutual life giving between the divine persons The revised and extended version of 1 John assumes the undoing of Western society under the docetic ethos seeking theological foundations for the society that might follow It details the meaning of various aspects of docetic modern society through a Johannine lens explaining these aspects as forms of oppression The author counters these through

the Eastern Orthodox focus on the inner life over the external one the spiritual world over the physical and the proper appreciation of hierarchy as opposed to docetic equality **Bowker's Complete Video Directory** ,1998 The Christian Witness and Congregational Magazine ,1870 **From Creation to Re-Creation** Daniel Lazich,2021-09-27 Within the last forty years scientific discoveries and knowledge about our universe contain unprecedented theological implications They imply that the creator exists more so than ever before These discoveries have developed a worldview that challenges both theologians and scientists to engage in a mutually fruitful dialogue From Creation to Re Creation uniquely presents God s accomplishments as author Daniel Lazich transports himself to a time when authors wrote creation narratives to depict the contrast between the ancient epics and biblical narrative It forcefully asserts that the creation of this world and humankind was accomplished by the Creator who loves humanity selflessly This assertion is backed by the most advanced study and research concerning our universe s nature Lazich writes that the final observer in quantum cosmology and God in the Bible are the same From Creation to Re Creation employs unprecedented theological implications to assert that the creator s existence is necessary for the universe and humankind in it to exist **365 Devotions for Peace** Cheri Cowell,2015-12-08 365 peaceful days add up to a life changing year This affordable daily devotional walks readers through the peace that comes from knowing God in a simple and accessible format Each entry focuses on ways God offers peace how to let go of stress and panic and let God guide you and how to hold onto peace even in the most stressful and hectic of times Sample excerpt The world was dark For 400 years God had been silent Not a word Not a peep Had he forgotten his people Did he no longer hear their cries Then the most incredible thing happened The heavens broke forth in praise Shepherds shouted their joy and that joy reverberated over the mountains The Lord had heard their cries He has heard yours and has come to comfort He brings comforting peace into this dark world peace into your world Are you in need of comfort and peace He has come for you An Exposition of the Prophecy of Hosea Jeremiah Burroughs,1863 **The Works of T.
