Submissive Training Manual:

Dom's Guide To Submissive Training Elizabeth Cramer, 2013-11-22 A Dom sub relationship doesn't just happen. It is a finely crafted and designed system of expectations and joys. In order for you and your submissive lady to fit one another and create a lasting happy union, there must be a period of training. It does not matter if your sub has thirty years of experience in submission or just read *50 Shades of Grey* and decided to try it herself. She will need to be trained for the best relationship to emerge. Dom's Guide to Submissive Training was specifically written for doms masters. It is designed to provide you with a step by step blueprint on how to train your new sub. It goes from preparation all the way down to the closing ceremony including advanced techniques tips. Training can be one of the most exciting, challenging and fun parts of the relationship. A well trained sub will not only serve you in the capacity you deserve but will have built up the two most important elements in any BDSM relationship: trust and consistency. Following the instructions in this guide will allow you to show yourself as a worthy master who is in control, experienced and able to guide you both to the best possible life. [The Advanced Dom's Guide To Submissive Training](#) Elizabeth Cramer, In this advanced guide for Doms we're going to focus on becoming a billionaire type of Alpha Dom so that you can become more attractive to the subs you offer your services to. You are soon going to find out that money actually has nothing to do with the attraction the Dom builds with the sub. It's all in personality, in posturing and in a certain way of thinking. We're going to train you Dom to Dom how to activate that attraction and more importantly how to come across as a worldly wise educator to a sub that needs someone strong, smart and creative in her life. By the time you finished this book you will be well on your way to become Alpha Dominant, Valuable, Educated, Confident, and the famous billionaire charm that will make you irresistible. *Dom's Guide to Submissive Training* Elizabeth Cramer, 2013-12-06 There are two foundational pillars of a BDSM relationship between a Dom and a sub: consent and trust. Everything else in the relationship—the fun, the love, the discipline, the eroticism, the tears and the journey—are all built on those standards. Both consent and trust require honest communication in order to thrive. The vast majority of that communication begins long before the training begins. In *Dom's Guide to Submissive Training Vol 2* I listed 25 things you must know about your new sub if you want to create a satisfying relationship with a devoted submissive. It's not enough to just ask, "What do you like or would you like to be my sub?" You need to know things about your sub that are deeper, more practical and helpful. Without the knowledge of these 25 things you may be able to create momentarily excitement but it will surely turn into a frustrating short term relationship headed for drama, disaster and end. Following this guide allows your sub to communicate freely and provides a mechanism for her to reveal her true self even if she doesn't have the words to do so. There are a million things subs want their Doms to know. These questions will help your sub tell you. *Submissive Training Guide for Beginners* Joanne Bennet, 2021-04-21 55% OFF for Bookstores NOW at 26.99 instead of 36.99 Do you want a sexual life more emotional and interesting?
