Suddenly Dominatrix My Secret Life As A Private BdsM Mistress:

Suddenly Dominatrix Lady Sas, 2014-06-09 Lady Sas is a private BDSM Mistress from Frankfurt in Germany. In her book, she provides a candid account of her path into the world of BDSM and fetishism. She explains what she enjoys about being a Dominatrix and how she lives out her passion as a private Mistress. Her story begins by telling how a traumatic event in her personal life led her to explore BDSM and describes the highs and lows she experienced until she found her slave Toytoy. She allows the reader to share her private BDSM play and provides a graphic and vivid description of how she trains and uses her slave. Not for faint-hearted readers. The narrative and literal climax of the book is her joint session with Lady Cornelitas in which her slave is taken to his physical and psychological limit and even beyond. Her book offers readers an intimate erotic and voyeuristic insight into her world. At the same time, it presents a portrait of a Lady who was able to overcome a deep personal crisis and found her new happiness and a new future. It's a book that provides encouragement to women and offers hope to prospective slaves. Queen of Domination - My Secret Life Charlayne Grenci Ph.D., 2017 *The Scarlett Letters* Jenny Nordbak, 2017-04-04 Jenny Nordbak takes us to a place that few have seen but millions have fantasized about revealing how she transformed herself from a USC grad lacking in confidence into an elite professional dominatrix who finds her own voice, power, and compassion for others. On an unorthodox quest to understand her hidden fantasies, Jenny led a double life for two years. By day, she was a construction manager, but at night, she became Mistress Scarlett. Working at LA's longest running dungeon, she catered to the secret fetishes of clients ranging from accountants to movie stars. She simultaneously developed a career in the complex and male-dominated world of healthcare construction while spending her nights as a sex worker dominating men. Far from the standard issue powerful men who pay to be helpless, Mistress Scarlett's clientele included men whose fantasies revealed more complex needs from Tickle Ed to Doggie Dan, from the Treasure Trolls to Ta Da Ted. *The Scarlett Letters* explores the spectacularly diverse array of human sexuality and the fascinating cast of characters that the author encountered along the way.

Queen of Domination Charlayne Grenci, 2014-08-18 Dr. Charlayne Grenci's *Queen of Domination: My Secret Life* is the gripping, poignant true story of a courageous woman who has always lived on the edge of society and sanity for being herself with a fate to never fit in. Grenci's endless perseverance and imitable strength in her convictions unleashed her passion to explore her own sexual desires and to perpetuate her mission to study human sexual behaviors. Living in a powerful drama of fear, anguish, and rejection since childhood to suffering the cruelty of persecution and a prosecution turned into a sensationalized witch hunt, Grenci risked it all again and again to challenge the system where others feared to tread. *Queen of Domination: My Secret Life* reveals the shocking and graphic details of her risqué sex life and

into subservient roles so that taking the lead can feel strange and unnatural even unfeminine and not nice We are discouraged from aggressively grabbing what we want and instead encouraged to sacrifice and nurture We are taught to be prizes not competitors Surely there has to be more to life than that Many men the ones who value assertiveness and even a little cruelty in their female lovers would agree Men are ready to be dominated owned and used by the strictest most sensual and cruelest women The subservient slaves get put in their places and then punished in a variety of naughty ways until they understand their place This book is a rich resource of ideas for the woman who wants to embark upon FemDom journey with her man and is hungry for new kinky territory to conquer and in this guide you ll learn practical steps towards becoming a professional dominatrix Much of what is depicted about BDSM and the lifestyle is wrong Our opinions on this lifestyle and art form are often times shaped by other people who have heard something about it and perhaps embellished it to the point of perpetuating myths The truth is that BDSM is not degrading towards women One of the most common misconceptions surrounding a woman taking a dominant role is the assumption that she needs to be a display cruel behavior towards others for the sake of her own gain or pleasure and without consideration for their safety or well being it s not surprising that any woman would feel reluctant to adopt this role in her relationship Taking the lead in bed doesn t mean being a sadist or demeaning your partner It doesn t mean you have to change who you are You re simply connecting with a powerful side of yourself that was always there and sharing it with a person who wants to make you happy It s about closeness and connection not cruelty FemDoms are to lead and not follow be confident and be yourself say what you mean and be attractive A Warning for the Man Men in Her Life this book will teach your partner how to be more dominant controlling learn how to train you learn how to punish you and hold you accountable for your actions if you buy this book for her you might get more than you asked for You may want to quietly set it aside and buy her a set of fuzzy handcuffs instead You have been warned
