

utterly useless. The most effective way of turning them to account, would be to give more scope to the imagination, and *incorporate the spirit of poetry with the spirit of science*. By this means our philosophers would double their resources, instead of working, as now, maimed, with only half their nature. They fear the imagination, on account of its tendency to form hasty theories. But surely all our faculties are needed in the pursuit of truth, and we cannot be justified in discrediting any part of the human mind. And I can hardly doubt that one of the reasons why we, in England, made such wonderful discoveries during the seventeenth century, was because that century was also the great age of English poetry. The two mightiest intellects our country has produced are Shakespeare and Newton; and that Shakespeare should have preceded Newton was, I believe, no casual or unmeaning event. Shakespeare and the poets sowed the seed, which Newton and the philosophers reaped.

This idealism has been further extolled by the powerful pen of Schiller, that gave birth to the beautiful designs of Kaulbach, of which the following are engravings. They remind us how the ideas of omnipresence and of aspiration naturally associate themselves with the atmosphere.

SCILLER.

Die von dem Thon, dem Stein bescheiden aufgestiegen,
Die schöpferische Kunst, unschlüsselt mit stillen Stegen
Des Geistes unermessenes Reich,
Was in des Wissens Land Entdecker nur erliegen,
Entdecken sie, erliegen sie für euch.
Der Schätze, die der Denker aufgeschloßet,
Wird er in euren Armen erst sich freun.
Wenn seine Wissenschaft, der Schönheit: angetroffen,
Zum Kunstwerk wird gekehrt sein—
Wenn er auf einem Hügel mit euch steigt,
Und seinem Auge sich, in mildem Abenddunst,
Das malerische Thal—auf einmal zeigt.
Je reicher ihr den schneellen Blick vergrößert,
Je höher, schönere Ordnungen der Geist
In einem Zauberband durchfliegen,
In einem un-ergründeten Genuß umkreist:
Je weiter sein Gedanken und Gefühle
Dem üppigsten Harmonienspielen,
Dem sichern Strom der Schönheit aufgehen—
Je schöner Glieder aus dem Weltplan,
Die jetzt verflümmelt seine Schöpfung schänden,
Steht er die hohen Formen dann vollenden,
Je schöner Himmeln treten aus der Nacht,
Je reicher wird die Welt, die er unschlüsselt,
Je breiter strömt das Meer, mit dem er umsetzt,
Je schwächer wird des Schicksals blinde Macht,
Je höher steigen seine Triebe,
Je kleiner wird er selbst, je grüner seine Liebe.

If Art rose plastic from the stone and clay,
To Mind from Matter ever sweeps its away;
Silent, but conquering in its silence, lo,
How o'er the Spiritual World its triumphs go!
What in the Land of Knowledge, wide and far,
Keen Science tracks—for you discovered are:
First in your arms the wise their wisdom learn—
They dig the mine you teach them to discern;
And when that wisdom ripens to the flower
And crowning time of Beauty—to the Power
From whence it rose, new stores it must impart.
The tale of Science swell the Wealth of Art.
When to one height the Sage ascends with you,
As spreads the vale of matter round his view
In the mild twilight of serene repose:—

The more the Artist charms, the more the Thinker knows.
The more the shapes, in intellectual joy,
Link'd by the Geni which your spells employ,
The more the thought with the emotion blends—
The more up-buoyed by both the Soul ascends
To loftier Harmonies, and heavenlier things,
And tracks the stream of Beauty to its springs.
The lovely members of the mighty whole,
Till then confused and shapeless to his soul,
Distinct and glorious grow upon his sight,
The fair enigmas brighten from the Night,
More rich the Universe his thoughts enclose—
More wide the Ocean with whose wave he flows:
The wrath of Fate grows feebler to his fears,
As from God's Scheme Chance wanes and disappears;
And as each straining impulse soars above—
How his pride lessens—how augments his love!

Summary Of Astra Castra By Dotserfontein Introduction

In the digital age, access to information has become easier than ever before. The ability to download Summary Of Astra Castra By Dotserfontein has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Summary Of Astra Castra By Dotserfontein has opened up a world of possibilities. Downloading Summary Of Astra Castra By Dotserfontein provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Summary Of Astra Castra By Dotserfontein has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Summary Of Astra Castra By Dotserfontein. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Summary Of Astra Castra By Dotserfontein. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Summary Of Astra Castra By Dotserfontein, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Summary Of Astra Castra By Dotserfontein has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so,

individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Summary Of Astra Castra By Dotserfontein Books

1. Where can I buy Summary Of Astra Castra By Dotserfontein books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
