Poppies

1 Three days before Armistice Sunday  
and poppies had already been placed  
on individual war graves. Before you left,  
I pinned one onto your lapel, crimped petals,  
5 spasms of paper red, disrupting a blockade  
of yellow bias binding around your blazer,  
Sallotape bandaged around my hand,  
I rounded up as many white cat hairs  
as I could, smoothed down your shirt's  
10 upturned collar, steeled the softening  
of my face. I wanted to graze my nose  
across the tip of your nose, play at  
being Eskimos like we did when  
you were little. I resisted the impulse  
15 to run my fingers through the gelled  
blackthorns of your hair. All my words  
flattened, rolled, turned into felt,  
soft speaking  
slowly melting. I was brave, as I walked  
with you, to the front door, threw  
20 it open, the world overflowing  
like a treasure chest. A split second  
and you were away, intoxicated.  
After you'd gone I went into your bedroom,  
released a song bird from its cage.  
5 Later a single dove flew from the pear tree,  
and this is where it has led me,  
skirting the church yard walls, my stomach busy  
making tucks, darts, pleats, hat-less, without  
a winter coat or reinforcements of scarf, gloves.

## Summary Of Poppie:

**Summary of Information, 1921, Relative to the Bill H. R. 7456** United States Tariff Commission, 1922      The Opium Poppy and Other Poppies United States. Bureau of Narcotics, 1944      **Summary of Tariff Information, 1921, Relative to the Bill H.R.7456** United States Tariff Commission, 1922      Summary of Tariff Information, 1920 United States, 1920      **Summary of Tariff Information, 1920**, 1920      Poppies, Politics, and Power James Tharin Bradford, 2019-06-15

Historians have long neglected Afghanistan's broader history when portraying the opium industry. But in *Poppies Politics and Power* James Tharin Bradford rebalances the discourse showing that it is not the past forty years of lawlessness that makes the opium industry what it is but the sheer breadth of the twentieth century Afghanistan experience. Rather than byproducts of a failed contemporary system argues Bradford drugs especially opium were critical components in the formation and failure of the Afghan state. In this history of drugs and drug control in Afghanistan Bradford shows us how the country moved from licit supply of the global opium trade to one of the major suppliers of hashish and opium through changes in drug control policy shaped largely by the outside force of the United States. *Poppies Politics and Power* breaks the conventional modes of national histories that fail to fully encapsulate the global nature of the drug trade. By providing a global history of opium within the borders of Afghanistan Bradford demonstrates that the country's drug trade and the government's position on that trade were shaped by the global illegal market and international efforts to suppress it. By weaving together this global history of the drug trade and drug policy with the formation of the Afghan state and issues within Afghan political culture Bradford completely recasts the current Afghan and global drug trade.
