Suppressed Terror Bettina Greiner, 2014-04-24 At the end of World War II the Soviet secret police installed ten special camps in the Soviet occupation zone later to become the German Democratic Republik Between 1945 and 1950 roughly 154 000 Germans were held incommunicado in these camps Whether those accused of being Nazis spies or terrorists were indeed guilty as charged they were indiscriminately imprisoned as security threats and denied due process of the law One third of the captives did not survive To this day most Germans have no knowledge of this postwar Stalinist persecution even though it exemplifies in a unique way the entangled history of Germans as perpetrators and victims How can one write the history of victims in a society of perpetrators This is only one of the questions Displaced Terror History and Perception of Soviet Special Camps in Germany raises in exploring issues in memory culture in contemporary Germany The study begins with a detailed description of the camp system against the backdrop of Stalinist security policies in a territory undergoing a transition from war zone to occupation zone to Cold War hot spot The interpretation of the camps as an instrument of pacification rather than of denacification does not ignore the fact that while actual perpetrators were a minority the majority of the special camp inmates had at least been supporters of Nazi rule and were now imprisoned under life threatening conditions together with victims and opponents of the defeated regime Based on their detention memoirs the second part of the book offers a closer look at life and death in the camps focusing on the prisoners self organization and the frictions within these coerced

communities The memoirs also play an important role in the third and last part of the study Read as attempts to establish public acknowledgment of violence suffered by Germans they mirror German memory culture since the end of World War II

Occupying Wall Street Writers for the 99%,2011 On September 17th 2011 a small group of anti capitalist demonstrators assembled amid the chrysanthemum planters of Zucotti Park in downtown Manhattan Their purpose was straightforward to occupy the square in protest at the bankers on nearby Wall Street who having wrecked the American economy had got away scot free continuing to pay themselves eye watering bonuses while the rest of the country was devastated by foreclosures and layoffs Now in a new book assembled by a collective of writers active in support of the occupation the story of Occupy Wall Street is being told Drawing on extensive interviews with those taking part a thrilling instant history is being brought to the page In *Occupying Wall Street* you will discover who is behind the action how it was devised and planned and how its daily needs of security food clean up legal medical and media relations are organized The decision making process of the occupation in the now famous call and response public assemblies is discussed And the lessons Occupy Wall Street has drawn from the Arab Spring and indignados movement in Europe are examined together with the actions role in inspiring other protests around the US and the support it has drawn from trade unions and social movements In compelling fast paced narrative the key events of the occupation are described as they unfolded the pepper spraying of young women corralled between plastic fences by the NYPD the march across Brooklyn Bridge when 800 arrests far from slowing the momentum of the movement just kicked it up a gear and the now famous victory on the night of October 14th when only minutes before it was due to commence an announced clean up the square was abandoned by a police department and mayor s office fearful of the PR disaster of battling the 3 000 supporters who had gathered overnight The future course of Occupy Wall Street remains unclear How will it interact with the 2012 Presidential election Can it move forward with demands that often appear inchoate Can it continue to hold the square and does doing so constitute a sufficient political strategy Such questions can only be answered over time But one thing is already clear Occupy Wall Street Under the rubric We are the 99% the protest has brought to life the most important progressive movement since the civil rights marches half a century ago Writers for the 99% is a group of writers and researchers active in and supportive of Occupy Wall Street All royalties from this book will be donated to Occupy Wall Street

New York Magazine ,1997-06-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Refugee Voices in Modern Global History Peter Gatrell,Katarzyna Nowak,Lauren Banko,Anindita Ghoshal,2025-03-31 Across modern history refugees have articulated their experiences and wishes against the backdrop of mass displacement brought about by world wars civil war revolution population exchange

decolonisation and state formation Men and women displaced in different sites from different backgrounds and at different times have played for high stakes they deliberated about what to say and to whom and they sought expected and effected a response Refugee Voices in Modern Global History places refugees at the centre of modern history It demonstrates how ordinary refugees understood their experiences of displacement and engaged with institutions that sought solutions to their predicament Ranging widely across global contexts to establish what refugees had to say and to whom it shows them to have consistently been purposeful actors making it possible to transcend conventional and hackneyed depictions of crisis By adopting the term refugeedom the authors show how the voices and perspectives of refugees can be incorporated alongside the power dynamics associated with the multiple incarnations of the refugee regime that managed refugees and articulated solutions to their predicament Extensive archival research across three continents makes it possible to explain in comparative terms the significance attached to the encounters between refugees and officials in modern Europe South Asia the Middle East East Asia and sub Saharan Africa The result is an original and in depth study of the contrasting responses of refugees to displacement and to the arrangements made on their behalf at a series of critical junctures in the past

Army and Navy Register ,1925 The Advocate ,2004-08-17 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States **Army and Navy Bulletin** ,1946 *Popular Science* ,2004-12 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better Shelter Projects, 2008 Joseph Ashmore,2008 In recent years the humanitarian community has looked inward learning from their past experiences in providing emergency shelter for the ever increasing number of populations suffering from crises worldwide The humanitarian reform process has helped widen the community of practitioners reinforced global and country based coordination systems and required the agencies concerned to seek new and better means of ensuring integrated and robust humanitarian programming This publication is an example of a series of learning tools being produced to support improved response to crises It has been developed by the Emergency Shelter Cluster through a group of agencies within the cluster led by UN HABITAT It contains summaries of a range of experiences applied in crisis situations and an honest appraisal of their successes and failures

The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces ,1884

Army-Navy-Air Force Register and Defense Times ,1906
