Making Summer Count Jennifer Sloan McCombs, 2011 Despite long term and ongoing efforts to close the achievement gap between disadvantaged and advantaged students low income students continue to perform at considerably lower levels than their higher income peers in reading and mathematics Research has shown that students skills and knowledge often deteriorate during the summer months with low income students facing the largest losses Instruction during the summer has the potential to stop these losses and propel students toward higher achievement A review of the literature on summer learning loss and summer learning programs coupled with data from ongoing programs offered by districts and private providers across the United States demonstrates the potential of summer programs to improve achievement as well as the

challenges in creating and maintaining such programs School districts and summer programming providers can benefit from the existing research and lessons learned by other programs in terms of developing strategies to maximize program effectiveness and quality student participation and strategic partnerships and funding Recommendations for providers and policymakers address ways to mitigate barriers by capitalizing on a range of funding sources engaging in long term planning to ensure adequate attendance and hiring and demonstrating positive student outcomes Summer Bridge Activities, Grades K - 1 Summer Bridge Activities,2015-01-15 Give your soon to be first grader a head start on their upcoming school year with Summer Bridge Activities Bridging Grades K 1 With daily 15 minute exercises kids can review rhyming and counting and learn new skills like telling time and writing complete sentences This workbook series prevents summer learning loss and paves the way to a successful new school year And this is no average workbook Summer Bridge Activities keeps the fun and the sun in summer break Designed to prevent a summer learning gap and keep kids mentally and physically active the hands on exercises can be done anywhere These standards based activities help kids set goals develop character practice fitness and explore the outdoors With 12 weeks of creative learning Summer Bridge Activities keeps skills sharp all summer long *The Kindergarten for Teachers and Parents* ,1890 **The Summer Slide** Karl Alexander,Sarah Pitcock,Matthew C. Boulay,2016 This book is an authoritative examination of summer learning loss featuring original contributions by scholars and practitioners at the forefront of the movement to understand and stem the summer slide The contributors provide an up to date account of what research has to say about summer learning loss the conditions in low income children s homes and communities that impede learning over the summer months and best practices in summer programming with lessons on how to strengthen program evaluations The authors also show how information on program costs can be combined with student outcome data to inform future planning and establish program cost effectiveness This book will help policymakers school administrators and teachers in their efforts to close academic achievement gaps and improve outcomes for all students Book Features Empirical research on summer learning loss and efforts to counteract it Original contributions by leading authorities Practical guidance on best practices for implementing and evaluating strong summer programs Recommendations for using program evaluations more effectively to inform policy Contributors Emily Ackman Allison Atteberry Catherine Augustine Janice Aurini Amy Bohnert Geoffrey D Borman Claudia Buchmann Judy B Cheatham Barbara Condliffe Dennis J Condron Scott Davies Douglas Downey Ean Fonseca Linda Goetze Kathryn Grant Amy Heard Michelle K Hosp James S Kim Heather Marshall Jennifer McCombs Andrew McEachin Dorothy McLeod Joseph J Merry Emily Milne Aaron M Pallas Sarah Pitcock Alex Schmidt Marc L Stein Paul von Hippel Thomas G White Doris Terry Williams Nicole Zarrett A comprehensive look at what s known about summer s impact on learning and achievement It is a wake up call to policymakers and educators alike Jane Stoddard Williams Chair Horizons National Provides the reader with everything they didn t know about summer learning loss and also provides information on everything we do know about eliminating
