Bartlett, 2023-11-03 It's time to let go of disenchanting thinking and embrace enchanted living In a world full of demands and obligations it is easy to get stuck in the same tiring routines but what if instead we chose to embrace a life full of joy and enchantment Nature offers the perfect antidote for weary souls Carving out time to truly experience and engage with the wonder and beauty of the world around us can help ease our minds soothe our spirits and leave us feeling euphoric This enchanting little book offers rituals intentions and affirmations that will allow you to commune with nature so that you can belong to both its wildness and its tenderness By aligning with the rhythms of the natural world you will learn to reconnect to the enchantment deep within you to live an authentic life filled with meaning and possibility **Civil Society--East and**

West, 1993 *Summers in France* Kathryn M. Ireland, 2010-06 Excursions to flea markets and antiques shops and snapshots of outdoor activities punctuate this luscious book of French country living which includes home design and ideas plus favorite recipes for Mediterranean inspired lunches and convivial candlelit dinners *The Nitty-Gritty in the Life of a University* William J. Adams, 2007 An esteemed professor and one time chairman of the mathematics department at New York's Pace University Adams interested in all facets of university administration has produced an almost Jeffersonian volume of correspondence from his tenure His views on textbook selection collective bargaining and the proper role of the university have all flowed from his notebook and no problem was too minute to evade his scope The frivolity of some of these papers is balanced by Adams's opinions on weightier issues including sexual harassment and compensation in higher education His

approach and forward manner on these situations despite how genuine sometimes engendered resentment from his fellow faculty But for those interested in the particulars of an academic career this book offers a glimpse of what life may really be like inside the ivory tower Kirkus Discoveries **Pure-bred Dogs, American Kennel Gazette** ,1968-12 Sweet Treats around the World Timothy G. Roufs,Kathleen Smyth Roufs,2014-07-29 From apple pie to baklava cannoli to gulab jamun sweet treats have universal appeal in countries around the world This encyclopedia provides a comprehensive look at global dessert culture Few things represent a culture as well as food Because sweets are universal foods they are the perfect basis for a comparative study of the intersection of history geography social class religion politics and other key aspects of life With that in mind this encyclopedia surveys nearly 100 countries examining their characteristic sweet treats from an anthropological perspective It offers historical context on what sweets are popular where and why and emphasizes the cross cultural insights those sweets present The reference opens with an overview of general trends in desserts and sweet treats Entries organized by country and region describe cultural attributes of local desserts how and when sweets are enjoyed and any ingredients that are iconic Several popular desserts are discussed within each entry including information on their history their importance and regional cultural variations on preparation An appendix of recipes provides instructions on how to make many of the dishes whether for school projects or general entertaining *Developing an All-School Model for Elementary Integrative Music Learning* Carol E. Reed-Jones,2014-03 The purpose of this study was to investigate the potential for increasing informal music making in elementary school culture and create a model of such music making Precedence for this model can be found in the literature of ethnomusicology educational psychology and learning theory multicultural music education and cultural anthropology Literature from four distinct traditions and contexts of music making in integrative sociocultural contexts sub Saharan African ngoma and Community Music as manifested in New Orleans second lines old time music and dance and summer camp music making was parsed with a philosophical lens to determine and assess possible areas of intersection between these four participatory cultures and North American public school culture Each of these five areas was examined through a comprehensive review of literature to define their salient characteristics These characteristics were sorted to determine commonalities between areas and the zones of intersection became the basis for a speculative model of integrative music learning featuring the inclusion of musical opportunities and interludes throughout the school day thus taking school music beyond the confines of the music room Instruction in music classes would still continue enhanced in this model by supplemental learning opportunities inspired by the informal learning of traditional world musics the participatory practice of New Orleans second line parades old time music and dance and summer camp music culture This model of integrative learning is also informed by current educational best practices such as child centered learning peer tutoring experiential learning and multicultural perspectives It acknowledges the diversity of traditions consulted while aiming for the unity in their seemingly disparate disciplines Five universal characteristics were uncovered in

the search for areas of intersection between North American elementary school culture child culture ngoma music making and Community Music style music making in New Orleans old time music and dance and summer camp contexts a Song b play c informal learning as evidenced by oral tradition peer tutoring self learning d kinesthetic learning and e contextualized learning as evidenced in the sociocultural uses of music and situated learning This model strives for the enactment of school music as a vital and integral part of daily school culture *The Oxford Handbook of the Global Stage Musical* Robert Gordon,Olaf Jubin,2023-11-14 The stage musical constitutes a major industry not only in the US and the UK but in many regions of the world Over the last four decades many countries have developed their own musical theatre industries not only by importing hit shows from Broadway and London but also by establishing or reviving local traditions of musical theatre In response to the rapid growth of musical theatre as a global phenomenon The Oxford Handbook of the Global Stage Musical presents new scholarly approaches to issues arising from these new international markets The volume examines the stage musical from theoretical and empirical perspectives including concepts of globalization and consumer culture performance and musicological analysis historical and cultural studies media studies notions of interculturalism and hybridity gender studies and international politics The thirty three essays investigate major aspects of the global musical such as the dominance of Western colonialism in its early production and dissemination racism and sexism both in representation and in the industry itself as well as current conflicts between global and local interests in postmodern cultures Featuring contributors from seventeen countries the essays offer informed insider perspectives that reflect the diversity of the subject and offer in depth examinations of specific cultural and economic systems Together they conduct penetrating comparative analysis of musical theatre in different contexts as well as a survey of the transcultural spread of musicals **Forum** ,2004

Songs of Sadness, Songs of Love Larry Andrews,2010-05 A childhood illness leaves Ryan Graves with a paralyzed arm and emotionally painful ways to try to hide it Following a failed high school romance and a subsequent divorce Ryan s self confidence is shattered Later Gillian helps Ryan focus on what is not what isn t which includes their love *Isle of Devils, Isle of Saints* Michael J. Jarvis,2022-06-14 How can the small isolated island of Bermuda help us to understand the early expansion of English America First discovered by Europeans in 1505 the island of Bermuda had no indigenous population and no permanent European presence until the early seventeenth century Settled five years after Virginia and eight years before Plymouth Bermuda is a foundational site of English colonization Its history reveals strikingly different paths of potential colonial development as a place where slave owning puritan tobacco planters raised large families engaged overseas markets built ships created a Christian commonwealth hanged witches wrestled to define racial difference and welcomed godly pirates raiding Spanish America In *Isle of Devils Isle of Saints* Michael J Jarvis presents readers with a new narrative social and cultural history of Bermuda Adopting a holistic multidisciplinary approach that draws upon thirty years of research and archaeological fieldwork Jarvis recounts Bermuda s turbulent dynamic past from the Sea Venture s dramatic 1609 shipwreck

through the 1684 dissolution of the Bermuda Company He argues that the island was the first of England's colonies to produce a successful staple form a stable community turn a profit transplant civic institutions and harness bound African knowledge and labor Bermuda was a tabula rasa that fired the imaginations of English thinkers aspiring to create an American utopia It was also England's first puritan colony founded as a covenanted Christian commonwealth in 1612 by self consciously religious settlers who committed themselves to building a moral society By the 1670s Bermuda had become England's most densely populated possession and was poised to become an intercolonial maritime hub after freeing itself from its antiquated parent company The first scholarly monograph in eighty years on this important neglected colony's first century *Isle of Devils Isle of Saints* is a worthy prequel to *In the Eye of All Trade* Jarvis's masterful first book Revealing the dynamic interplay of race gender slavery and environment at the dawn of English America Jarvis's work challenges us to rethink how Europeans and Africans became distinctly American within the crucible of colonization *Catalog of Copyright Entries.
