The Knowing A. Mani, 2013-09-09 I could not tell what had led to the events that came afterwards Next thing I found myself lying on the ground bleeding to death A sharp tool hit me A tool I had never seen before It must have been from the civilized zone And as I was lying on the ground facing the sky hearing the sounds of hunting and fighting of the finale battle I thought to myself this was what I wanted This was what I was missing all that time I could hear my cats roaring as a sign of rage They raged about the hurt of their leader by the humans I was their leader I was the Sun Stealer They were now fighting my battles and playing my voice and even though I was lying there helpless waiting for my end I knew it I had never felt so safe before Never in my life My kingdom was destroyed My legacy was dying And so was I Sun Stealer The Knowing is a sequel to Hidden Anomaly and the second volume of the Sun Stealer s book series *The Rebellion Record*.

Mani, 2014-03-09 This is the story about the edge of life The point where you can only roll down from Only you do not know it is the edge until you taste the cruelty of your fall So you keep on traveling it carelessly sucking the fresh air capturing your surrounding Deep down you know at the end of every hill there is a big fall but at that time I had no reason to fear that fall I was in a state of euphoria We all were And at this state you feel like everything is right as it should be and that nothing can go wrong But it can Before I will tell you how it began let me tell you how it ended Sun Stealer Euphoria is a sequel to The Knowing and the third volume of the Sun Stealer book series *The Beacon*, 1885 *The Book Buyer's Guide*, 1968
