## **Sunday School Activities About Being Grateful:**

Ten Made Whole: Gratefulness from One Leper Ahmed Musa ,2024-12-14 Ten lepers stood at the edge of a village desperate for healing burdened by isolation and longing for restoration They called out to Jesus pleading for mercy With just a word Jesus healed them and their lives were forever changed But only one returned to give thanks Ten Made Whole Gratefulness from One Leper is a powerful exploration of this story where Jesus not only performed a physical healing but also revealed profound spiritual truths about gratitude faith and the completeness of God s restoration In Ten Made Whole Gratefulness from One Leper you will discover The heartbreaking condition of leprosy how it separated individuals from society and family making the healing miracle all the more powerful and transformative The moment when the ten lepers called out to Jesus for mercy showing the raw vulnerability of those who recognized their desperate need for healing and restoration The miraculous act of healing that Jesus performed how He didn t just cleanse them of leprosy but offered them an opportunity for spiritual wholeness The divided response while all ten were healed only one returned to Jesus to give thanks and in doing so received not just physical healing but a deeper spiritual wholeness Jesus powerful question Were not all ten cleansed Where are the other nine How the response of the one grateful leper demonstrated the heart of true faith and the importance of acknowledging God s work in our lives The profound lesson that gratitude is essential to spiritual wholeness how it reflects a heart of humility worship and understanding that every good gift comes from God The healing of the ten lepers teaches us a vital lesson Gratitude is not just a response to blessings it is a vital part of our spiritual journey The one leper who returned showed us that wholeness is more than physical healing it s about a heart that is thankful humble and willing to turn back to God in worship In our own lives how often do we receive God s blessings without fully acknowledging His grace How much of our wholeness depends on our response of thankfulness What does the story of the ten lepers teach us about the importance of gratitude in our walk with God How can we cultivate a heart of thankfulness that leads to true spiritual wholeness Ten Made Whole shows us that gratitude is the gateway to deeper spiritual healing and wholeness A thankful heart opens the door to greater intimacy with God and more profound experiences of His grace Step into Ten Made Whole Gratefulness from One Leper and be reminded that true healing is not just physical it is spiritual and it begins with a heart that acknowledges the goodness and mercy of God When we return to God in gratitude we experience the fullness of His restoration

**Moving Beyond Fear to Gratitude** Nancy H. Mitchell,2020-06-02 Moving Beyond Fear to Gratitude takes the reader on a journey with a quiet strong humble man who trusted in the Lord throughout all his trials including corticobasal degeneration CBD a rare and debilitating brain disease and his anxious wife who as his caregiver learned to lean on the Lord and to see that gratitude adds a sense of peace to the circumstances of life Through her four years of journaling Nancy paints a picture of CBD s effects on both sufferer and caregiver This book is intended in part to help families and caregivers recognize CBD symptoms It s primary purpose however is to show how the hard earned

knowledge Nancy gained through caring for her husband coupled with his strong positive attitude and faith helped her to better accept God's sovereign control over life's circumstances and deepened her faith beyond anything she could have possibly conceived. It's her prayer that what she has shared in this book will help you to find that same acceptance and deeper faith in the midst of your own trial. Nancy reminds us that everyone is going through some type of trial. What matters is what we do with that trial to glorify God and to acknowledge that all that we are and have we are and have by His grace and only by His grace.

We live in a time of great racial strife and global conflict. How do we work toward healing reconciliation and justice among all people regardless of race or gender? In *Embracing the Other* Grace Ji-Sun Kim demonstrates that it is possible only through God's Spirit. Working from a feminist Asian perspective, Kim develops a new constructive global pneumatology that works toward gender and racial ethnic justice. She draws on concepts from Asian and indigenous cultures to reimagine the divine as Spirit God who is restoring shalom in the world. Through the power of Spirit God, Kim says our brokenness is healed and we can truly love and embrace the Other.

*Missions* Howard Benjamin Grose, 1928      *Illustrated Phonographic World*, 1916      **You Can Learn to Be Content!** Sarah O. Maddox, 2016-03-29 Take an exciting journey with Sarah Maddox's journey in which she overcomes many obstacles to learn to be content wherever she is living. Her experiences with unusual pressures, disruptive moments, and unmet expectations will encourage you in the many challenges you face. Your motivation to learn contentment will be greatly enhanced as you see God's mercy, love, and grace so freely offered to Sarah along her journey. God offers that same mercy, love, and grace to you. In Philippians 4:11b, the apostle Paul declared, "I have learned to be content whatever the circumstances may be." J.B. Phillips: "You too can learn to be content. One thing for sure, life's circumstances are always changing. It can be difficult to maintain your balance and to walk in joy and contentment whatever the season." Sarah's book *You Can Learn to Be Content* is packed full of scripture, personal testimony, and much hope. So encouraging! We loved it. Angela and Travis Cottrell. Travis is
