**Marvin B Sussman, Shirley Hanson**

## **Successful Marriages And Families:**

Successful Marriages and Families Alan J. Hawkins, David Curtis Dollahite, Thomas W. Draper, 2013-09-06 **Happy Marriages and Strong Families** Kelley Brigman, Purple's Edge Media, 2012 A simple easy to read discussion by a social scientist about how core religious elements such as faith and hope love and grace parenthood of God and forgiveness and reconciliation can help people create happy marriages and strong families This book inspires hope that people can create successful marriages and shows them how to do it It contains many stories simple illustrations and activities Useful for preparing for marriage marital growth or solving marital problems It can help people make the small changes that can make a big difference in marital success **Missing Links in Marriages & Families Journey** Dr. Annie Ravhudzulo, 2019-05-10 There is something different about this book Many couples are confused about how to find the will of God for their lives marriages and families Do you desire for more intimacy and passionate linking Do you miss the feeling of togetherness that you and your spouse felt when you first met As a couple is it a problem for you to communicate openly Are you scared that being honest will hurt each other's feelings Maybe you are feeling discouraged by stubborn arguments over apparently irrelevant issues Alternatively perhaps you have begun to feel like you have fallen out of love Do you want to have more sex or less sex than your spouse does If you have had an affair or if you have been hurt by your spouse's infidelity you might be feeling uncertain if and how you can settle your feelings and be able to relink and connect Remember you are the person to initiate that take heart Unless you learn to identify broken and missing links that disengage you from your marriage and family you will continue to live in a relationship of finishing life together because of the children you have In order for strong intimacy and deep connection to take place forget about the lies of the devil false messages and cracks around your heart This is the foundation of rediscovering the joy of a broken heart in your life marriage and family A Pure and Forgiving Heart will Restore the Joy of your Broken and Missing Links to cover your physical intellectual spiritual and emotional aspect of your life Intimate Relationships, Marriages, and Families F. Philip Rice, 1999 A introductory text describing changes in intimate relationships over the life span with sections on social and psychological perspectives the nature of intimate relationships marriage and family relationships the family as a unit and conflict in marriage Discussions photos emphasize diversity God's Amazing Grace: Reconciling Four Centuries of African American Marriages and Families Terry M. Turner, 2017-12-18 God's Amazing Grace Reconciling Four Centuries of African American Marriages and Families is an insightful study that will be welcomed by thoughtful practitioners and all who ponder the African American family's complexity Readers familiar with the deep rich reservoir of African American family literature will recognize many of the black scholars referenced in this work Readers unfamiliar with these sources will be grateful to discover them and the effective use of disparate literature This work will become a different kind of guide for studying American history through the lens of the African American family Underneath all the research is the search for answers to the compelling questions Is

there a correlation between slave owners denial to slaves God s design for the family and the familial chaos that has plagued African American families for more than a hundred fifty years And if there is connection what is it The author has brought something new to a familiar topic of discussion the Bible The unique moral compass that steered this study is solidly anchored in the bedrock of holy scripture In this work the history and sociology of African American marriages are examined in light of the questions asked by Holy Scripture In so doing Dr Turner skillfully attempts to help readers make sense of the story of black families in America May this book mark the beginning to a new reality for African American families Dr Willie Peterson senior executive advisor adjunct professor of Pastoral Ministries Dallas Theological Seminary *If It'S Broken, Fix It* Larry A. McMillan,2012-05-31 If Its Broken Fix It his third book represents another step in his quest to build stronger marriages and families for a stronger community Th e book seeks to take couples on a journey that motivates inspires and challenges them to take a faith walk through a valley that leads to a successful and joyful marriage He explains to couples the limitations that they may experience and the obstacles they may have already conquered Th is book will allow broken marriages to be transformed into fruitful marriages Marriages that have been experiencing mediocrity will be resurrected to the glory of God Rev McMillan demonstrates his teaching skills that he learned in the educational arena over the course of thirty nine years during his training sessions He removes and destroys all hurdles as he teaches strategies that help couples discover the sparks and heights in their marriage **Intimate Relationships, Marriages and Families, Instructor's Manual** F. Philip Rice,1992-10 **Secrets of Successful Marriages** Dr. Matthew N. O. Sadiku,Janet O. Sadiku,2022-11-29 This book is probably the best book on marriage you have ever seen It shows you how God wants you to have a happy and successful marriage However nothing in life is free If you want your marriage to be happy and successful you must be willing to discover the secrets and put them into practice This book gives you those secrets The Secret of a Christ Centered Home The Secret of Prayer The Secret of Vigilance The Secret of Communication The Secret of Understanding The Secret of Love and Appreciation The Secret of Commitment The Secret of Maturity The Secret of Financial Stewardship The Secret of Parenting The is a comprehensive guide on marriage but yet an easy read and very practical The book also offers insightful practical guides on how to apply the secrets The principles offered in this book will help you overcome the incredible array of spiritual and social forces working against your marriage The book will challenge and stimulate you to be the best person you can be and build the best marriage you can have *Marriages and Families* Constance L. Shehan,2003 A realistics fact based survey of marriage intimacy and family life that offers many insights and addresses many misconceptions about modern families in all their variety **11 Reasons Families Succeed** Richard Tate,Rita Tate,2002-07 Have you ever wondered why some families fail while others succeed Think of it this way Most people would never build a house without first obtaining blueprints Yet many people assume they can build a successful marriage and family with no guidance no counsel no blueprints In their Bible study 11 Reasons Families Succeed authors Richard and Rita Tate demonstrate proven

down to earth solutions and practical ideas for your family and your marriage in an insightful easy to understand and enjoyable way This cutting edge study outline 7 basic needs of men and women and how to meet those needs 11 leadership principles the head of every household must know 5 key principles and 3 big mistakes in money management 7 do s and don ts when in conflict and the most overlooked skill in communication In this Bible study you ll will learn truth after truth skill after skill solution after practical solution and principles you can apply immediately to your life      Successful Blended Families Dr. Mabel Radebe,2012-01-26 According to experts being involved in a prior marriage decreases the success rate of subsequent marriages The aim of this book is to reduce the failure rate of remarriages and to promote the success of blended families Successful Blended Families addresses the common challenges of blended family life and provides practical tools for dealing with them effectively Attention is given to children in these families step parenting preparation for remarriage as well as the building blocks for a successful blended family If you are in a blended family or planning to establish such a family this book is for you If you are a professional who works with blended families or you simply want to gain more insight and understanding of blended family life this book is worth reading      *Broken Families* United States. Congress. Senate. Committee on Labor and Human Resources. Subcommittee on Family and Human Services,1983      *Marriages and Families* Karen Seccombe,Rebecca L. Warner,2004 In this fresh more structural alternative to other texts for the marriage and family course Seccombe and Warner provide a comprehensive look at close relationships and the family in just 15 chapters Examining close relationships and families by placing them in social context the authors offer a unique emphasis on the structural and relational aspects of the family with a focus on family resilience The text weaves together a macro view social structural analysis of close relationships with the macro an individualist view The authors demonstrate the interaction of theory and methodology in family studies in Chapter 2 and blend cutting edge research and practical applications throughout Among the highlights of this first edition are the exceptionally thorough exploration of the topics of singlehood and cohabitation in Chapter 7 and the unique six chapter core 8 13 that focuses on all aspects of parenthood and the challenges and crises that families face today The authors emphasis on family resilience and how families can be strengthened is reflected in the Constructing Strong Families boxes that appear throughout the text These features encourage students to apply groundbreaking research on what makes a family strong to their own families and in the concluding chapter Looking Ahead Helping Families Flourish which examines the factors that successful families regardless of ethnicity culture or social class consistently exhibit      Marriages & Families Ernest Havemann,Marlene Lehtinen,1986      **Sociology of Families** Cheryl Albers,1999-03-11 A comprehensive selection of readings provided to support David Newman s book of the same name      *Families* Alex Liazos,2015-12-03 Unlike other family textbooks that mostly emphasize conflicts and problems this book also features the joys and pleasures of family living and its mutually nourishing qualities Its perspective reflects polls surveys and student essays indicating that most people value their families Families everywhere provide love support and

sustenance to their members but they do so in many different arrangements Understanding the wide variety of families historically and across cultures gives the student a better basis for understanding how families change and a better grasp of more controversial changes such as the gradual acceptance by Westerners of same sex marriage and child rearing by single people Liazos offers two poignant chapters not found in other texts Family Living Chapter Six focuses on the social value of caregiving and family meals Kin and Community Chapter Seven focuses on relationships among kin and the larger community

**African American Families** Angela J. Hattery, Earl Smith, 2007-04-19 Bravo to the authors They have done an excellent job addressing the issues that are critical to community members policy makers and interventionists concerned with Black families in the context of our nation Michael C Lambert University of Missouri Colombia African American Families is a timely work The strength of this text lies in the depth of coverage clarity and the ability to combine secondary sources statistics and qualitative data to reveal the plight of African Americans in society Edward Opoku Dapaah Winston Salem State University African American Families is both engaging and challenging and is perhaps one of the most important works I have read in many years This book will most certainly move the discourse of the socio economic conditions of black families forward beyond the boundaries already set by other books in the market African American Families is an excellent book whose time has come and one that I would most definitely adopt Lateef O Badru University of Louisville African American Families provides a systematic sociological study of contemporary life for families of African descent living in the United States Analyzing both quantitative and qualitative data authors Angela J Hattery and Earl Smith identify the structural barriers that African Americans face in their attempts to raise their children and create loving healthy and raise the children of the next generation Key Features Uses the lens provided by the race class and gender paradigm Examples illustrate the ways in which multiple systems of oppression interact with patterns of self defeating behavior to create barriers that deny many African Americans access to the American dream Addresses issues not fully or adequately addressed in previous books on Black families These issues include personal responsibility and disproportionately high rates of incarceration family violence and chronic illnesses like HIV AIDS Brings statistical data to life The authors weave personal stories based on interviews they ve conducted into the usual data from scholarly literature and from U S Census Bureau reports Provides several illustrations from Hurricane Katrina A contemporary analysis of a recent disaster demonstrates many of the issues presented in the book such as housing segregation and predatory lending practices Offers extensive data tables in the appendices Assembled in easy to read tables students are given access to the latest national agencies data from agencies including the U S Census Bureau Centers for Disease Control and Bureau of Justice Statistics Intended Audience This is an ideal textbook for advanced undergraduate and graduate courses such as African American Families Sociology of the Family Contemporary Families and Race and Ethnicity in the departments of Human Development and Family Studies Sociology African American Studies and Black Studies

Families in America Susan L. Brown, 2017-08 Historical and contemporary

perspectives on families Pathways to family formation Union dissolution and repartnering Adult and child well being in families Family policy issues domestic and international perspectives      **Single Parent Families** Marvin B Sussman, Shirley Hanson, 2014-05-12 Here is a comprehensive source of vital information on single parent families in contemporary society This book analyzes literature and empirical research concerning single parent families and explores issues and challenges they face Contributing authors from many fields and perspectives examine a broad range of subjects relating to families in which one person is primarily responsible for parenting The only state of the art compendium on the topic of single parent families available today the book synthesizes empirical theoretical and contemporary literature about the diversity myths and realities of single parent families in western countries Each chapter contains a demographic overview definitions a literature review and implications for practice research education and social policy Theoretical and conceptual perspectives related to parenting and wider families are included An analysis synthesis and commentary on single parent families concludes the volume Themes highlighted throughout the book include socioeconomic and demographic characteristics of single parent families cultural and ethnic features and legal and ethical components Some chapter topics include single parenthood following divorce single parenthood following death of a spouse never married teen mothers and fathers female headed homeless families adoptions by single parents noncustodial mothers and fathers grandparents as primary parents single parents of children with disabilities Single Parent Families contains additional resources useful for family professionals an annotated bibliography a video filmography and a national community resource list The book is intended for a multidisciplinary audience including sociologists psychologists health care professionals social workers therapists and other researchers clinicians policymakers and educators An ideal primary or reference text for undergraduate and graduate level programs the book can also serve as a tool for staff development and continuing education in service agencies

**Marriages and Families** Nijole Vaicaitis Benokraitis, 1996 This textbook introduces students to the study of marriage and the family in ways to which they can easily relate Giving equal attention to people of all racial ethnic and other societal groups the author shows students that as families continue to change they have more and more choices but that those choices are also subject to often serious constraints on both the macro and micro level The author's approach encourages students to think for themselves and practical guidelines in every chapter encourage them to go beyond thought to action to become part of the effort to resolve some of the crucial issues that confront all 21st century families
