

Prefix Paul and Suffix Sam

by Debbie Borgfeld

Base words are really handy
And can stand on their own
They are words like "write"
And "love" and "phone."

Unfortunately there's a problem
With base words that stand alone.
They can't change tenses
Or become plural on their own.

What's a base word to do
When being alone is not enough?
Why not call some friends
Who are really smart and tough?

Powerful Prefix Paul
And Super Suffix Sam
Have the power to change a word
By changing its definition.
