Reaping Rewards Nima Mankar, 2024-01-24 Reaping Rewards Personally I believe that each one of us has a story to tell at every stage of our lives I don t expect anyone to narrate every detail of their lives right from school to the profession Reaping Rewards is just a fun thing wherein people expressed their inner feelings and happenings that they encountered and wished to share The reading habit of people is diminishing So this was in fact a massive attempt at encouraging people to write and read as well The best encouragement for writers is when others read appreciate and maybe share their views on the writings Reaping Rewards deals with Success achieved after struggles one has a lot of inspiration and positive vibes to take away from each story When one writes one expresses When one expresses one feels elated When one feels elated one experiences true happiness So they wrote they shared they inspired and spread happiness
