Summarizing Chapters In A Book:

Summary of The Guest List by Lucy Foley Condensed Books, A high quality summary of Lucy Foley s book The Guest List including chapter details and an analysis of the main themes of the original book About the original book The story takes place on an isolated island in West Ireland famed for its ghostly history The story starts a few days before Julia Keegan and William Slater s wedding Jules and Will are the it couple beautiful accomplished and affluent at least on the surface Will is the star presenter of a survival reality television program and Jules is the editor of an online magazine Secrets from the past emerge as guests assemble on the island to celebrate with the bride and groom A storm knocks out power on the island the night before the wedding When the lights are restored a distraught waitress cries that she has discovered a body The American economic review ,1924 Effective Teaching in Higher Education Raymond P. Perry,John C. Smart,1997 Assists academic staff to develop their effectiveness as teachers and improve their students learning by giving practical guidelines and suggestions for teaching and a series of activities **Computational Techniques for Text Summarization based on Cognitive Intelligence** V. Priya,K. Umamaheswari,2023-03-17 The book is concerned with contemporary methodologies used for automatic text summarization It proposes interesting approaches to solve well known problems on text summarization using computational intelligence CI techniques including cognitive approaches A better understanding of the cognitive basis of the summarization task is still an open research issue an extent of its use in text summarization is highlighted for further exploration With the ever growing text people in research have little time to spare for extensive reading where summarized information helps for a better understanding of the context at a shorter time This book helps students and researchers to automatically summarize the text documents in an efficient and effective way The computational approaches and the research techniques presented guides to achieve text summarization at ease The summarized text generated supports readers to learn the context or the domain at a quicker pace The book is presented with reasonable amount of illustrations and examples convenient for the readers to understand and implement for their use It is not to make readers understand what text summarization is but for people to perform text summarization using various approaches This also describes measures that can help to evaluate determine and explore the best possibilities for text summarization to analyse and use for any specific purpose The illustration is based on social media and healthcare domain which shows the possibilities to work with any domain for summarization The new approach for text summarization based on cognitive intelligence is presented for further exploration in the field , **The Mahabharata, Volume 7** James L. Fitzgerald,2020-07-10 What is found in this epic may be elsewhere What is not in this epic is nowhere else from The Mahabharata The second longest poem in world literature The Mahabharata is an epic tale replete with legends romances theology and metaphysical doctrine written in Sanskrit One of the foundational elements in Hindu culture this great work consists of nearly 75 000 stanzas in eighteen books and this volume marks the much anticipated resumption of its first

complete modern English translation With the first three volumes the late J A B van Buitenen had taken his translation up to the threshold of the great war that is central to the epic Now James Fitzgerald resumes this work with translations of the books that chronicle the wars aftermath The Book of Women and part one of The Book of Peace These books constitute volume 7 of the projected ten volume edition Volumes 4 5 6 8 9 and 10 of the series will be published over the next several years In his introductions to these books Fitzgerald examines the rhetoric of The Mahabharatas representations of the wars aftermath Indeed the theme of The Book of Women is the grief of the women left by warriors slain in battle The book details the keening of palace ladies as they see their dead husbands and sons and it culminates in a mass cremation where the womens tears turn into soothing libations that help wash the deaths away Fitzgerald shows that the portrayal of the womens grief is much more than a sympathetic portrait of the sufferings of war The scenes of mourning in The Book of Women lead into a crisis of conscience that is central to The Book of Peace and Fitzgerald argues the entire Mahabharata In this book the man who has won power in the great war is torn between his own sense of guilt and remorse and the obligation to rule which ultimately he is persuaded to embrace The Mahabharata is a powerful work that has inspired awe and wonder for centuries With a penetrating glimpse into the trauma of war this volume offers two of its most timely and unforgettable chapters

The UnixTM System Guidebook P.P. Silvester, 2012-12-06 Well suited to medium scale general purpose computing the Unix time sharing operating system is deservedly popular with academic institutions research laboratories and commercial establishments alike Its user community which until recently was made up mostly of experienced computer professionals is now attracting many people concerned with computer applications rather than systems Such people are mainly interested in putting Unix software to work effectively hence need a good knowledge of its external characteristics but not of its internal structure The present book is intended for this new audience people who have never encountered the Unix system before but who do have some acquaintance with computing While helping the beginning user get started is a primary aim of this book it is also intended to serve as a handy reference subsequently However it is not intended to replace the definitive Unix system documentation The Unix operating system as it now exists at most installations popularly though somewhat inaccurately called Version 7 Unix is substantially as described by the Seventh Edition of the system manuals This book emphasizes Version 7 and systems closely related to it but it does also describe some other facilities in wide use Many people have been instrumental in shaping this book and the author wishes to express his gratitude to them all Particular thanks are due to David Lowther for our many helpful discussions and to the many students whose suggestions enlivened the task

Economic Freedom: Lessons Of Hong Kong Kui-wai Li, 2012-07-03 Hong Kong has been one of the fastest growing East Asian economies since the end of the Second World War The adoption and practice of economic freedom have been major pillars in its economic success Indeed the experience of Hong Kong has served as a reference for other emerging economies in the region The scope of the book elaborates the context and ingredients of economic freedom that have brought success and prosperity to Hong Kong With sovereignty reversion to China in 1997 it is even more relevant to see how economic freedom is shaping and adapting to the new environment There exist a number of economic indices based on economic freedom Hong Kong has been ranked as the freest economy in the world for a number of consecutive years While the economic freedom indices compare the performance of a large number of world economies there is a lack of economic literature that studies the absolute level of economic freedom of a single economy This book boldly serves the purpose of elaborating on the absolute performance of economic freedom in the

world's freest economy. It is therefore the first of its kind and unique in its field. Numerous areas of studies related to economic freedom are examined, studied, and elaborated so that readers can have a full and comprehensive understanding of the content of economic freedom in Hong Kong. *The CAFE Book* Gail Boushey, Joan Moser, 2009. In *The CAFE Book*, Gail Boushey and Joan Moser present a practical, simple way to integrate assessment into daily reading and classroom discussion. The CAFE system, based on research into the habits of proficient readers, is an acronym for Comprehension, Accuracy, Fluency, and Expanding vocabulary. The system includes goal setting with students in individual conferences, posting of goals on a whole class board, developing small group instruction based on clusters of students with similar goals, and targeting whole class instruction based on emerging student needs.
