Date : 3rd November, 2011
Circular No.77 /2011

All the Heads of Schools
affiliated to the CBSE

Subject: Verification of Evidence of Assessments (EAs) of Class IX and Class X students for Academic Session 2011-2012

Dear Principal,

As you are aware, the Board issued uniform CCE certificates to all the students appeared in class X in March 2011 Examination irrespective of the fact whether they were assessed by the Board or by the School in Summative Assessment-II (SA-II).

To ensure the reliability, validity and fairness of assessment, the Board also collected marks/grades assigned at school level through specially designed software.

Besides the collection of marks/grades, the Board also collected 'Evidence of Assessments (EAs)' conducted at school level under Formative and Summative assessments.

These 'Evidence of Assessments (EAs)' and the marks awarded were verified by the subject experts appointed and empanelled by the Board at the Regional level. The objective was to assess the 'Practices of School Based Assessment'. The experts submitted their report on these 'Evidence of Assessments (EAs)' vis-a-vis award of marks. Their report helped in verifying the school based assessments as well as provided a very good feedback to the Board about implementation of CCE scheme at grassroots level. Results of this verification exercises were very encouraging.

Since last year this exercise was carried out only at Class X level that too after completion of all the FAs and SAs, the inference of the exercise was limited. This year, to have more objective and thorough verification, the Board has decided to carry out the exercise of verification of 'Evidence of Assessments (EAs)' both for Class IX and Class X and that too after each Summative Assessment. In this exercise the whole hearted participation of all the affiliated schools of the Board is solicited to establish and display the strength of the Continuous and Comprehensive Evaluation (CCE).

Like last year, this year also the schools will be shortlisted by the concerned Regional Offices and such short listed schools will be requested to send the 'Evidence of Assessments (EAs)' for FA-1, FA-2 and SA-1, in the month of November and FA-3, FA-4 and SA-2 in the month of April. This material (FA tasks and SA answer sheets) will be collected in five subjects: Hindi, English, Mathematics, Science and Social

Task-Based Language Teaching and Assessment N. P. Sudharshana, Lina Mukhopadhyay, 2022-02-05
This book provides interdisciplinary perspectives on task-based language teaching (TBLT) and task-based language assessment (TBLA) in English as a second language (ESL) context. It discusses theoretical and experimental insights of TBLT and TBLA from cognitive, linguistic, and psycholinguistic viewpoints. The chapters, written by leading language teaching specialists in the field, introduce the reader to a comprehensive range of issues related to TBLT and TBLA, such as curriculum design, materials development, and classroom teaching/testing. With interdisciplinary appeal, the book is a valuable resource for researchers in task-based language teaching and assessment. It is equally useful for teachers to whom it offers practical suggestions for designing tasks for teaching and testing.

Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Summative I Central Board Of Secondary Education books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded.

Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Summative I Central Board Of Secondary Education books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Summative I Central Board Of Secondary Education books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
