

A colorful poster with a light blue sky background. In the top left corner is a large yellow sun with rays. In the top right corner is a white cloud. The title 'SUMMER CAMP' is in large, bold, dark blue letters, and 'Theme Ideas' is in slightly smaller, bold, dark blue letters below it, underlined with a yellow line. The background also features stylized green hills and trees at the bottom, and small yellow flowers with red centers scattered around. A central white box contains two columns of theme ideas, each preceded by a light blue circle.

Engagement through Community Art Hersey, Leigh Nanney, Bobick, Bryna, 2016-12-05 Outreach and engagement initiatives are crucial in promoting community development. This can be achieved through a number of methods including avenues in the fine arts. The Handbook of Research on the Facilitation of Civic Engagement through Community Art is a comprehensive reference source for emerging perspectives on the incorporation of artistic works to facilitate improved civic engagement and social justice. Featuring innovative coverage across relevant topics such as art education, service learning, and student engagement, this handbook is ideally designed for practitioners, artists, professionals, academics, and students interested in active citizen participation via artistic channels.

Growing Up with Philosophy Camp Claire Elise Katz, 2020-08-15 Growing up with Philosophy Camp joins the substantial body of literature that contravenes centuries of thinkers in the history of philosophy who stated emphatically that children either could not or should not engage in philosophical discourse. This book differs from the rest of the literature in that it reveals the extraordinary impact of philosophy camps for pre-college age students as young as 6 years old through high school. Often only a week in duration, philosophy camp combines the intensity of both summer camp and philosophical dialogue, creating a powerful experience for young people who, contrary to cynical views of youth today, desire intellectual engagement. Through the chapters by the staff who facilitate discussions, a university dean who supported the program, and reflections from campers and parents, a recurring theme emerges: philosophy camps build authentic friendship, intellectual community, and an increased awareness of self-identity. Yet the chapters display remarkable diversity by connecting the experience of philosophy camp to questions in the history of philosophy, philosophy's relationship to artistic creation, and the therapeutic value of philosophical discourse.

Yearbook of International Organizations 2005/2006, 2005-06 For the Yearbook of International Organizations, the most up-to-date and comprehensive reference to international organizations, the UIA has selected the most important 31,086 organizations from its extensive database of current and previous organizations. Yearbook provides profiles of 5,546 intergovernmental and 25,540 international non-governmental organizations active in nearly 300 countries and territories in the world today. Organization descriptions listed in Volume 1 are numbered sequentially to facilitate quick and easy cross-referencing from the other Yearbook Volumes. Users can refer to Volumes 2 and 3 to locate organizations by region or subject respectively, and comprehensive indexes are included. Naturally, the high standards of accuracy, consistency, and detail set by previous editions of the Yearbook of International Organizations have been maintained for this edition.
