

# SUMMER SLIDE LETTER TO PARENTS

Dear [Supervisor's Name],

I trust this letter finds you well. I am writing to discuss a matter that is of great importance to me and, I believe, to my continued contribution to [Your Company's Name]. I have thoroughly enjoyed my time here and take pride in the work we've accomplished together.

Over the past [time period], I have dedicated myself to [specific achievements and responsibilities]. I am grateful for the opportunities provided and the support from the team. However, considering my commitment and the evolving responsibilities, I am seeking a salary adjustment.

Market trends and the increased scope of my role lead me to believe that an adjustment would be a fair reflection of my contributions. I have conducted research, and the industry standard for my position is [provide relevant data]. Therefore, I kindly request a salary increase to align with these benchmarks.

I am open to discussing this matter further and would appreciate the opportunity to meet at your earliest convenience. I believe that this adjustment will not only recognize my dedication but also motivate me to contribute more effectively to the success of [Your Company's Name].

Thank you for your time and consideration. I look forward to discussing this matter further.

Sincerely,  
[Your Full Name]

## **Summer Slide Letter To Parents:**

*The Summer Slide* Karl Alexander, Sarah Pitcock, Matthew C. Boulay, 2016 This book is an authoritative examination of summer learning loss featuring original contributions by scholars and practitioners at the forefront of the movement to understand and stem the summer slide The contributors provide an up to date account of what research has to say about summer learning loss the conditions in low income children s homes and communities that impede learning over the summer months and best practices in summer programming with lessons on how to strengthen program evaluations The authors also show how information on program costs can be combined with student outcome data to inform future planning and establish program cost effectiveness This book will help policymakers school administrators and teachers in their efforts to close academic achievement gaps and improve outcomes for all students Book Features Empirical research on summer learning loss and efforts to counteract it Original contributions by leading authorities Practical guidance on best practices for implementing and evaluating strong summer programs Recommendations for using program evaluations more effectively to inform policy Contributors Emily Ackman Allison Atteberry Catherine Augustine Janice Aurini Amy Bohnert Geoffrey D Borman Claudia Buchmann Judy B Cheatham Barbara Condliffe Dennis J Condrón Scott Davies Douglas Downey Ean Fonseca Linda Goetze Kathryn Grant Amy Heard Michelle K Hosp James S Kim Heather Marshall Jennifer McCombs Andrew McEachin Dorothy McLeod Joseph J Merry Emily Milne Aaron M Pallas Sarah Pitcock Alex Schmidt Marc L Stein Paul von Hippel Thomas G White Doris Terry Williams Nicole Zarrett A comprehensive look at what s known about summer s impact on learning and achievement It is a wake up call to policymakers and educators alike Jane Stoddard Williams Chair Horizons National Provides the reader with everything they didn t know about summer learning loss and also provides information on everything we do know about eliminating summer learning loss Do your school a favor and read this book and then act upon what you have learned Richard Allington University of Tennessee

**Summer Reading** Richard L. Allington, Anne McGill-Franzen, 2018-07-06 Summer reading loss accounts for roughly 80 percent of the rich poor reading achievement gap Yet far too little attention is given to this pressing problem This timely volume now offers not only a comprehensive review of what is known about summer reading loss but also provides reliable interventions and guidance Written by acknowledged experts and researchers on reading remedial reading and special education this collection describes multiple models of innovative summer reading and book distribution initiatives as well as research based guidelines for planning a successful summer reading program including tips on book selection distribution methods and direction for crucial follow up Most important the authors clearly show how schools and communities can see greater academic gains for students from low income families using the methods described in this book than they can from much more costly interventions

**100 Ideas for Primary Teachers: Engaging Parents** Janet Goodall, Kathryn Weston, 2018-11-29 No matter what you teach there is a 100 Ideas title for you The 100 Ideas series offers teachers practical easy to implement strategies and activities for the

classroom Each author is an expert in their field and is passionate about sharing best practice with their peers Each title includes at least ten additional extra creative Bonus Ideas that won't fail to inspire and engage all learners Parental engagement with children's learning is the best lever we have to raise achievement in schools However there is a gap between what is known from the research and actual practice at the chalkface in schools Parents are still often seen as helping the school rather than having a direct role in their children's learning Bringing together one of the main researchers in the field and an educational consultant this book utilises their experience to present 100 evidence based ideas to help primary teachers engage parents in their children's learning 100 Ideas for Primary Teachers Engaging Parents presents ideas for supporting the most effective forms of parental engagement which are grounded in both the literature in the field and practical experience of working with schools and families This book offers a clear concise and easy to use format that takes into account how busy schools and teachers truly are
