African Studies Review ,1980 Print, Text and Book Cultures in South Africa Andrew van der Vlies,2012-09-01 An explanation of the unique role of the book and book collecting in South Africa due to the apartheid This book explores the power of print and the politics of the book in South Africa from a range of disciplinary perspectives historical bibliographic literary critical sociological and cultural studies The essays collected here by leading international scholars address a range of topics as varied as the role of print cultures in contests over the nature of the colonial public sphere in the nineteenth century orthography iimbongi orature and the canon book collecting and libraries print and transnationalism Indian Ocean cosmopolitanisms books in war how the fates of South African texts locally and globally have been affected by their material instantiations photocomics and other ephemera censorship during and after apartheid books about art and books as art local academic publishing and the challenge of book history for literary and cultural criticism in contemporary South Africa

Africa Today ,1981 **The Bounds of Race** Dominick LaCapra,2018-08-06 The concept of race is central to one of the most powerful ideological formations in history Dominick LaCapra argues in his introduction to this volume and understanding the effects of that ideology and its intricate relations with issues of class and gender is one of the most pressing challenges to contemporary modes of thought The eleven essays comprising The Bounds of Race confront this challenge with insight rigor and imagination The authors take on questions of language genre and politics with reference to African American Anglo American African South African Francophone North African British and Afro Hispanic texts Individual chapters discuss writings from an array of genres including homily autobiography the novel children s literature and political and scientific discourse Taken together the essays argue persuasively that the existing canon must be expanded that the protocols of interpretation must be transformed to make a prominent place for such issues as race and that the problem of interpretation cannot be posed in the absence of theoretically informed modes of historical investigation The Bounds of Race provides a subtle analysis of the variable role of racial ideologies and traces the interplay between hegemonic constraints and the strategies of resistance to them **Impaired Vision** Judy H. Zeitschrift für Kulturaustausch ,1980 **Poppie** Elsa Joubert,19?? **The Long Journey of Poppie Nongena** Elsa Joubert,1981 **The Long Journey of Poppie Nongena** Elsa Joubert,2019-10-15 Poppie Nongenas arduous journey covers 40 years of South Africas history sweeping through the riots of Sharpeville Soweto and Cape Town on to an indefinite but unpromising future The plot reflects the brutality and injustice of the Apartheid system while Elsa Jouberts characterisations reflects the courage and fortitude of people in the face of hardship and difficulty Poppies contented childhood in the Capes

countryside came to an end when she married a migrant worker and was forced by the authorities to move with him and their young family to the unfamiliar and bewildering city of Cape Town. No sooner had she established her roots in the new township when the laws changed and she was informed of her obligation to relocate to the Ciskei, her husband's homeland. He, as a migrant worker, was permitted to remain in the Cape to work. Over a ten-year period, Poppie fought the heinous pass law system, winning limited extensions to the permit that would allow her to live and work in Cape Town and enable her to keep the family together and provide an education for her children. Her own anger was shared by thousands, and inevitably the brooding undercurrent of discontent exploded throughout South Africa. Suddenly, there were no further extensions. Poppie and her children were forcibly removed from their home and resettled in a new township, hundreds of miles away, near East London. The Long Journey of Poppie Nongena is an epic tale of the endless adversity and struggle of a humble black woman under Apartheid laws. Poppie emerges from being a simple country girl to becoming an archetypal heroine of South Africa.
