David Hester Amador,J. David Hester,1999-01-01 Rhetorical criticism promised to bring New Testament studies into a new era that approached the Bible as a document of persuasive discourse Major proponents of this approach suggested that its potential lies in its democratization of biblical interpretation To date that promise has never been fulfilled The reasons can be found by exploring the rhetoric of these rhetorical critics Such an exploration uncovers systems of disciplinary constraints and discursive habits that keep rhetoric firmly within traditional units of academic biblical interpretation The promise of rhetoric can only be fulfilled by shattering all notions of a rhetorical programme of biblical interpretation **Leading with the Sermon** William H. Parr,2013-12-10 For those who declare it

doesn't work here is a book that can stimulate encourage and hopefully correct the problem that many churches and pastors have declared to be the problem. Many have prophesied the demise of Sunday school; however, in this resource Steve Parr encourages the church to utilize a tool it has used for over a hundred years to be intentionally evangelistic. Fully inundated with proof that Sunday school can bring vitality to your church, *Sunday School That Works* aptly charges the church with reengaging its Great Commission using the tools that it has effectively. **Hearers and Doers** Kevin J.

Vanhoozer, 2019-05-15 The foundation of discipleship is sound scriptural doctrine. The value of sound doctrine is often misunderstood by the modern church. While it can be dry and dull when it flows from the story of Scripture, it can be full of life and love. This kind of doctrine steeped in Scripture is critical for disciple making. And it's often overlooked by modern pastors. In *Hearers and Doers*, Kevin Vanhoozer makes the case that pastors as pastor-theologians ought to interpret Scripture theologically to articulate doctrine and help cultivate disciples. Scriptural doctrine is vital to the life of the church, and local pastor-theologians should be the ones delivering it to their communities. With arresting prose and striking metaphors, Vanhoozer addresses the most pressing problems in the modern church with one answer: teach sound scriptural doctrine to make disciples. *Reconciliation, Healing, and Hope* Jan Naylor Cope, 2022-02-22 Powerful sermons from Washington National Cathedral that inspire and a foreword by John Meacham. Through their sermons Cathedral clergy and guest preachers such as Jon Meacham, Kelly Brown Douglas, and Presiding Bishop Michael B. Curry share inspiring words. Collectively they offer lasting guidance for difficult times, reinforcing that even in the midst of loss and chaos, God is at work among us, lifting us up and giving us hope for the future. Topics include hope, faith during times of distress, love, grief, and the presence of God. With a foreword by Jon Meacham. *1 Timothy, Volume 2* Paul S. Jeon, 2017-12-22 *1 Timothy* is one of the more controversial documents in the New Testament. For years, critical scholars have rejected Pauline authorship, highlighted the apparent misogynistic quality of the text, and argued against any coherence in the letter. Jeon takes a fresh look at the letter, incorporating many recent advancements in NT scholarship. In detail, he demonstrates the macro and micro chiasmic arrangement of the entire letter and explains how the presumed first-century audience would have heard and responded to an oral performance of the letter. In doing so, Jeon offers a fresh challenge to more popular ways of mis understanding the letter and points a way forward for appropriating the letter both in academia and in the church. **I.N.R.I.** Peter Rosegger, 2018-05-15 Reproduction of the original I N R I by Peter Rosegger. **The United Presbyterian**, 1901

Enlow Jr., 2013-02-08 No, not another book on leadership. That was my first reaction as I received the manuscript of this book. Upon careful reading, I came to realize that Dr. Enlow has artistically captured the essence of leading by influence and has presented it in a clear and colorful way. As a veteran leader, Dr. Enlow speaks from vast experience, but it

is not merely subjective anecdotal experience The book is firmly rooted in serious and current research As I meet leaders from all over the globe I am no longer hesitant what to recommend them to read Riad Kassis director of Langham Scholars Ministry international director of the International Council for Evangelical Theological Education This book under promises and over delivers with a powerful palette of leadership wisdom But drop everything right now and read the warning in the last chapter on doxological leadership I am recommending this book to all my clients and I will likely reread this gem once a year Its that important John Pearson consultant www.johnpearsonassociates.com and author of Mastering the Management Buckets
