*Two Wheels Good* Jody Rosen,2023-06-13 A panoramic revisionist portrait of the nineteenth century invention that is transforming the twenty first century world Excellent calls to mind Bill Bryson John McPhee Rebecca Solnit The New York Times Book Review Editors Choice ONE OF THE BEST BOOKS OF THE YEAR The New Yorker The bicycle is a vestige of the Victorian era seemingly at odds with our age of smartphones and ride sharing apps and driverless cars Yet we live on a bicycle planet Across the world more people travel by bicycle than any other form of transportation Almost anyone can learn to ride a bike and nearly everyone does In *Two Wheels Good* journalist and critic Jody Rosen reshapes our understanding of this ubiquitous machine an ever present force in humanity s life and dream life and a flash point in culture wars for more than two hundred years Combining history reportage travelogue and memoir Rosen s book sweeps across centuries and around the globe unfolding the bicycle s saga from its invention in 1817 to its present day renaissance as a green machine an emblem of sustainability in a world afflicted by pandemic and climate change Readers meet unforgettable characters feminist rebels who steered bikes to the barricades in the 1890s a prospector who pedaled across the frozen Yukon to join the Klondike gold rush a Bhutanese king who races mountain bikes in the Himalayas a cycle rickshaw driver who navigates the seething streets of the world s fastest growing megacity astronauts who ride a floating bicycle in zero gravity aboard the International Space Station *Two Wheels Good* examines the bicycle s past and peers into its future challenging myths and

click s while uncovering cycling s connection to colonial conquest and the gentrification of cities But the book is also a love letter a reflection on the sensual and spiritual pleasures of bike riding and an ode to an engineering marvel a wondrous vehicle whose passenger is also its engine *Confronting Political Islam* John Malloy Owen,2016-09-06 Owen is generous rational and balanced H e is astute enough to understand the vast real world differences that block the resolution of conflict Publishers Weekly *The Christian Advocate* ,1901 [The International Handbook of Educational Research in the Asia-Pacific Region](#) J.P. Keeves,Ryo Watanabe,2013-11-11 The aim of the Handbook is to present readily accessible but scholarly sources of information about educational research in the Asia Pacific region The scale and scope of the Handbook is such that the articles included in it provide substantive contributions to knowledge and understanding of education in the Asia region In so doing the articles present the problems and issues facing education in the region and the findings of research conducted within the region that contribute to the resolution of these problems and issues Moreover since new problems and issues are constantly arising the articles in the Handbook also indicate the likely directions of future developments The different articles within the Handbook seek to conceptualize the problems in each specific content area under review provide an integration of the research conducted within that area the theoretical basis of the research the practical implications of the research and the contribution of the research towards the resolution of the problems identified Thus the articles do not involve the reporting of newly conducted research but rather require a synthesis of the research undertaken in a particular area with reference to the research methods employed and the theoretical frameworks on which the research is based In general the articles do not advocate a single point of view but rather present alternative points of view and comment on the debate and disagreements associated with the conduct and findings of the research Furthermore it should be noted that the Handbook is not concerned with research methodology and only considers the methods employed in inquiry in so far as the particular methods of research contribute to the effective investigation of problems and issues that have arisen in the conduct and provision of education at different levels within the region [Finding Reliable Information Online](#) Leslie F. Stebbins,2015-09-16 We live in an information saturated environment and spend far too much time searching surfing skimming contributing and organizing the information in our lives We spend too little time immersing ourselves in reliable high quality information We are often so buried in information and strapped for time that we grab information like it was fast food without bothering to evaluate its quality Finding Reliable Information Online Adventures of an Information Sleuth uses stories or information adventures to illustrate the best approaches to searching for information and to help us develop our aptitude for locating high quality resources in a rapidly changing digital environment that is becoming proficient at monopolizing our attention with useless or unreliable information This book is about taking charge of the search process and not handing over the reins to search engines like Google Bing or Yahoo to dictate what information we consume Each chapter focuses on a quest for different types of information while digging deeper into the complexities of finding credible

places to look for information and ways to think about evaluating it As the Internet evolves and becomes more sophisticated our strategies for finding and evaluating information need to evolve as well The stories in this book range from investigating challenging research questions to exploring health issues and everyday life questions like finding a reliable restaurant or product review These chapters go beyond the simple and more mechanical checklist approach to evaluating information though these factors are also discussed **Building a Learning Culture in America** Kevin P. Chavous,2016-09-30

Building a Learning Culture in America takes an incisive no holds barred look at how America embraced and cultivated a culture of learning in the past how that culture declined in the sixties and seventies and what must be done to regain it From political gridlock to systemic discrimination Chavous details the many ways education today is off track and cites specific examples of what Americans might do to reform it Part memoir and part manifesto this is a frank fascinating and personal account of Chavous experience as a politician working to enact school choice in Washington DC and throughout the United States During the course of his political career he has seen political skirmishes and party scuffles interfere with the United States ability to improve its educational system These conflicts did not cause the problem they were merely a result The true problem was more basic the decline of America s learning culture This pivotal work calls for Americans to unite in making the changes needed to reestablish a learning culture as an inherent piece of the American national fabric and tells us how to begin **Step Forward 2E Level 1 Workbook** Barbara Denman,Chris Mahdesian,2020-07-09
