find her and discover that she is a twin I begin to date her and court her Thus begins my education on the unusual world of twins and the difficulty of getting along with them My relationship with Ruth rapidly develops into true love Our love is tested when I am drafted into the Korean War After the war it takes a few years for our lives to settle down We get married in 1957 and live with her twin sister and mother so our married life cannot be described as normal Ruth s twin sister gets married and also lives with us Then Ruth and I have two children Our household is crowded The story describes the many changes and adjustments necessary over the years to survive our unusual life with emphasis on the enduring true love between Ruth and me It is our enduring true love that enabled us to not only survive but to lead a life of happiness that was far above and beyond normal *Instant Bible Lessons for Toddlers* Rosekidz, Mary J.
