Oppositions and Ideology in News Discourse Matt Davies, 2013-05-23 Investigates how binary oppositions are constructed discursively and how they are used in news reports in the British press

The Language of Inequality in the News Michael Toolan, 2018-12-06 Why in the early 1970s does The Times reject the idea of a national lottery as rewarding luck not merit

and effort but warmly welcome one by the 1990s Why in the 1970s do the Daily Mail's TV reviews address serious contemporary themes such as class and race relations whereas forty years later they are largely concerned with celebrities talent shows and nostalgia Why does the Conservative Chancellor in the 2010s mention Britain so very often when the Conservative Chancellor in the 1970s scarcely does at all Covering news stories spanning forty five years Michael Toolan explores how wealth inequality has been presented in centre right British newspapers focusing on changes in the representation may have helped present day inequality seem justifiable Toolan employs corpus linguistic and critical discourse analytic methods to identify changing lexis and verbal patterns and gaps all of which contribute to the way wealth inequality was represented in each of the decades from the 1970s to the present Constructing Crime C.

Gregoriou,2012-02-29 Crime and criminals are a pervasive theme in all areas of our culture including media journalism film and literature This book explores how crime is constructed and culturally represented through a range of areas including Spanish English Language and Literature Music Criminology Gender Law Cultural and Criminal Justice Studies **Textual Choices in Discourse** Barbara Dancygier,José Sanders,Lieven Vandelanotte,2012-07-18

In recent years research in cognitive linguistics has expanded its interests to cover a variety of texts spoken written or multimodal Analytical tools such as conceptual metaphor frame semantics mental spaces and grammatical constructions have been productively applied in various discourse contexts In this volume originally published as a special issue of English Text Construction 3 2 2010 the contributors a mix of established and emerging authors in the field analyse broadcast and print journalism argumentative scientific discourse radio lectures on music and the main literary genres the poetry of Szymborska and bpNichol the drama of Shakespeare the modernist prose of Virginia Woolf and recent fiction by John Banville Collectively the findings suggest a need to broaden and refine the cognitive linguistic repertoire while also uncovering new ways to interpret textual data The book will appeal to researchers and graduate students with interests in cognitive poetics and linguistics stylistics pragmatics and construction grammar **Keywords in the Press: The New Labour Years** Lesley Jeffries,Brian Walker,2017-11-16

Building on Raymond Williams iconic Keywords released in 1975 Jeffries and Walker show how some pivotal words significantly increased in use and evolved in meaning during the years of the New Labour project Focussing on print news media this book establishes a set of socio political keywords for the Blair Years and demonstrates how their evolving meanings are indicative of the ideological landscape in Britain at that time and the extent to which the cultural hegemony of the New Labour project influenced the language of the commentariat Combining corpus linguistic approaches with critical stylistics the authors conduct an analysis of two newspaper corpora using computational tools Looking closely at textually constructed meanings within the data their investigation of the keywords has a qualitative focus and sets out a clear methodology for combining corpus approaches with systematic co textual analysis **Making Sense of Narrative Text**

Michael Toolan,2016-06-03 This book takes the following question as its starting point What are some of the crucial things

the reader must do in order to make sense of a literary narrative The book is a study of the texture of narrative fiction using stylistics corpus linguistic principles especially Hoey s work on lexical patterning narratological ideas and cognitive stylistic work by Werth Emmott and others Michael Toolan explores the textual grammatical nature of fictional narratives critically re examining foundational ideas about the role of lexical patterning in narrative texts and also engages the cognitive or psychological processes at play in literary reading The study grows out of the theoretical questions that stylistic analyses of extended fictional texts raise concerning the nature of narrative comprehension and the reader s experience in the course of reading narratives and particularly concerning the role of language in that comprehension and experience The ideas of situation repetition and picturing are all central to the book s argument about how readers process story and Toolan also considers the ethical and emotional involvement of the reader developing hypotheses about the text linguistic characteristics of the most ethically and emotionally involving portions of the stories examined This book makes an important contribution to the study of narrative text and is in dialogue with recent work in corpus stylistics cognitive stylistics and literary text and texture

Viewpoint in Language Barbara Dancygier,Eve Sweetser,2012-04-12 This volume provides a new understanding of the role and structure of viewpoint in cognition and communication

The Language of Surrealism Peter Stockwell,2016-10-14 The Language of Surrealism explores the revolutionary experiments in language and mind undertaken by the surrealists across Europe between the wars Highly influential on the development of art literary modernism and current popular culture surrealist style remains challenging striking resonant and thrilling and the techniques by which surrealist writing achieves this are set out clearly in this book Stockwell draws on recent work in cognitive poetics and literary linguistics to re evaluate surrealism in its own historical setting In the process the book questions later critical theoretical views of language that have distorted our ideas about both surrealism and language itself What follows is a piece of literary criticism that is fully contextualised historically sensitive and textually driven and which sets out in rich and readable detail this most intriguing and disturbing literature

Postcolonial Stylistics Esterino Adami,2025-05-05 This accessible introduction to postcolonial stylistics looks at the shared aims of stylistics and postcolonial studies and illustrates how to apply the analytical and theoretical tools of stylistics to a selection of literary and non literary texts from a range of English speaking postcolonial contexts Structured around the five keywords of Language Identity Belonging History and Ecology the book sheds light on the way in which writers from a range of former colonial territories have creatively drawn from such thematic areas to construct complex and committed discourses shows how a rigorous linguistic analysis can help reach a better understanding of the rhetorical mechanisms and cultural dynamics operating in these works underlines how meaning is generated from the interaction between author reader and context how narratives shape and propagate a specific worldview and how metaphor can convey social and political values expands on each keyword by considering texts of different typology such as fiction poetry drama and non fiction accompanied by activities and references includes historical

and literary postcolonial timelines and an index of names and topics Comprehensive in its coverage and assuming no prior knowledge of the topics considered the book adopts an interactive and activity based approach to develop readers understanding of linguistic structures and forms through postcolonial texts Offering a new interdisciplinary perspective this is essential reading for students new to stylistics and postcolonial literature Coronavirus, Crisis and Culture Ben Harbisher, Stuart Price, 2023-07-25 This volume represents a timely and essential contribution for both scholars and readers of the Coronavirus Pandemic Whereas the bulk of literary academic and investigative coverage of the Pandemic has focussed on factors such as i maintaining social cohesion ii developing a vaccine iii fighting fake news this submission explores the erosion of civil liberties and human rights during the pandemic the increase of policing and supervisory practices and the innovative ways in which contemporary social movements have expressed their concerns at the measures governments have put in place The volume challenges restrictions placed on freedom of speech in which contrary opinions to mainstream public discourse have been branded as fake news disinformation or conspiratorial It questions the legitimacy of authoritative voices such as the BBC with regards to the regurgitation of political dogma and the profound lack of investigative reportage therein The volume examines how new or conventional social movements have responded to the pandemic and how fundamental human and civil rights such as those campaigned for by Black Lives Matter has united people from different backgrounds

Pragmatics of Accents Gaëlle Planchenault, Livia Poljak, 2021-10-15 What impact do accents have on our lives as we interact with one another Are accents more than simple sets of phonetic features that allow us to differentiate from one dialect variety or style to the other What power relationships are at work when we speak with what those around us perceive as an accent In the 12 chapters of this volume an international group of sociolinguists applied linguists anthropologists and scholars in media studies develop an innovative approach that we describe as the pragmatics of accents In this volume we present a variety of languages and go beyond the traditional structural description of accents From ideologies in national contexts to L2 education to accent discrimination in the media and the workplace this volume embraces a new perspective that focuses on the use of accents as symbolic resources and emphasizes the importance of context in the human experience of accents Stylistics and Shakespeare's Language Mireille Ravassat, Jonathan Culpeper, 2011-06-02 This innovative volume testifies to the current revived interest in Shakespeare's language and style and opens up new and captivating vistas of investigation Transcending old boundaries between literary and linguistic studies this engaging collaborative book comes up with an original array of theoretical approaches and new findings The chapters in the collection capture a rich diversity of points of view and cover such fields as lexicography versification dramaturgy rhetorical analyses cognitive and computational corpus based stylistic studies offering a holistic vision of Shakespeare's uses of language The perspective is deliberately broad confronting ideas and visions at the intersection of various techniques of textual investigation Such novel explorations of Shakespeare's multifarious artistry and amazing inventiveness in his use of language will cater for a broad range of
