

The background of the cover features a complex geometric design. It includes a perspective grid that recedes into the distance. A prominent red, curved surface, possibly representing a manifold or a specific region in a mathematical space, is shown. White lines, both solid and dashed, intersect and curve across the scene, suggesting paths or boundaries. Several red oval markers are placed at various points, with white arrows indicating a sequence or flow between them, likely representing an optimization path or a sequence of operations.
