The simple, economical choice is timeclock operation for both single and duplex units. If water usage varies, meter operation is available to signal regeneration immediately or delay regeneration until a pre-set time. Duplex meter operated units may be operated in parallel or on an alternating basis, depending upon your needs.

Warranty

Culligan® Hi-Flo® 3 water softeners are backed by a limited 1-year warranty against defects in materials, workmanship, and corrosion. The plastic conditioner tank has a 5-year warranty. See printed warranty for details.*

Some localities have corrosive water. A softener cannot correct this condition, so its printed warranty disclaims liability for corrosion of plumbing lines, fixtures, or water-using equipment. If you suspect corrosion, your independently operated Culligan dealer has equipment to control the problem.

*Culligan will provide a copy of warranty upon request.
