The self descriptive title A Universal Template For Research Position and Life Experience Papers implies that there is a
position that writers take in even the simplest of essays As such Template provides an opportunity to accomplish two tasks at
once consider the definitive differences between Research Position and Experience papers and explore the issues that
impound and empower contemporary urban education Dale Benjamin Drakeford provides an interactive workshop to guide
student writing on any social science subject Agreeing with many scholars that public and free pedagogy is indispensable the
author also argues that there is no wrong or right in scholastic debate only correct presentation of objective thoughts or non
objective attitudes This the author says is what is sometimes forgotten in the heat of getting ideas on paper Hence Template
provides structure for planning papers and in process cues for staying on task to complete them with proper formality
