Nelson Mandela Metropolitan University Prospectus For 2016:

The Navigation Case John E. Happ, 2021-11-02 An aged and glossy leather briefcase was discovered when our family house was cleaned out and sold We came to learn that my father had meticulously collected his military documents private letters and souvenirs and packed them away in this his pilot's navigation case From randomly within a newspaper article tumbled out It described a massive typhoon in New Guinea causing horror and tragedy and resulting in incredible untold loss of men and aircraft But larger questions remained unanswered What was my father or any American doing in New Guinea of all places If America was fighting Japan why were we fighting in New Guinea Aviation as an industry was in its infancy The sagas of pioneering pilots detail fascinating but deadly cadet training and violent air missions The narrative flourishes into an incredible story giving the context for all the Pacific war stories from Pearl Harbor Guadalcanal Midway island and Iwo Jima up to the avoidable catastrophes of Hiroshima and Nagasaki Prospectus Nelson Mandela Metropolitan University, 2005
