Youngblood, Howard Vos, 1999-05-13 The most comprehensive up to date accurate information on life in Bible times available in one volume for the general reader **The Time Is Near** Ian Foley, 2016-05-31 The Time Is Near the second and final volume of a paired set builds upon the foundations laid in the first volume to offer a comprehensive and systematic interpretation and explanation of the final book of the Bible Revelation The author Ian Foley summarizes the findings of the first volume before turning to an exploration of this often misunderstood biblical book This volume explains how two books of apocalyptic literature Daniel and Revelation have similar structures display similar styles of writing and offer seamlessly connecting content The benefit of this comparison comes in recognizing that the ambiguities and confusions of meaning that typically accompany readings of Revelation fade away The reader then receives a clear view of a complete prophetic picture of Gods plan for his world stretching from 605 BC to the end of this age and beyond In its thirty two parts The Time Is Near presents concise statements of position that begin with Daniel dwell on Jesus and Paul and then focus primarily on Revelation By offering this overall summary of a clear word of prophecy and by supporting it with immersion in the Bible and reflection on historical events The Time Is Near invites readers reflection and testing In a time in which the worldwide church faces great challenges The Time Is Near speaks clearly of refreshingly new insights that will help Christians to face those challenges and to resolve their uncertainties about the meaning of Revelation for this world and the next **The MacArthur Bible Commentary** John F. MacArthur, 2005-05-08 Unleashing God s Truth One Verse At A Time Serious students of Scripture can easily lose their focus among the many Bible commentaries available today studying for hours yet discovering no meaningful application of God s eternal truth This one volume commentary on the entire Bible from one of America s foremost Bible expositors offers instead a minilibrary of understandable resources designed to convey the Bible s overarching message with historical and theological clarity Pastor and teacher John MacArthur covers the complete Bible every passage of the Old and New Testaments phrase by phrase in this valuable one volume resource Hundreds of additional study tools complement the commentary such as Word studies Charts graphs and brief articles Overviews of each major division of the Bible Introductions to each biblical book A summary of essential Christian theology Special sections on Jesus s life and ministry Harmonies of historical writings Guidance in studying applying and teaching God s Word Readers

benefit from the coherence a single commentator provides finding faithful understandable and relevant resources for any passage from the entire Bible Consistent elements include exploring God s character seeing Christ in all Scripture and identifying key doctrines vital people and touchstone Scripture passages The MacArthur Bible Commentary offers pastors Bible teachers serious Bible readers and anyone seeking to read and understand the Scriptures a way to focus their studies while still seeing the entire Bible s application to the Christian life A Marriage Covenant: Not For Women Only Linda Anderson,2017-07-05 Have you ever wondered why the Bible contains certain specific elements such as the proliferation of the numbers seven or ten Or why Peter and Andrew caught specifically 153 fish when Jesus told them to put their net on the opposite side of the boat I wondered That curiosity led me to a bigger change in my understanding of scripture than I could have imagined It literally revolutionized my bible study practice I am going to let you in on the secret It is learning to see Scripture through more of a Jewish mindset Jesus was Jewish and so was the majority of his audience and the majority of the authors that wrote the Bible That culture is far different from ours Therefore it behooves us to attempt to learn something of what Jesus Christ and writers of the word meant when they penned their words As a serious student of the word I have spent over twenty years examining and teaching on God s marriage covenant from that perspective Many of the theories we have been taught about prophecy the rapture or lack thereof are brilliantly clear in meaning when we look at them through eyes that understand Jewish culture and the true meaning of the concept of covenant in Hebrew Christ and Covenant Cecilia B. Dennery,2009-07
