Lyall Smith, Brian K Gran, 2015-10-23 Long the province of international law human rights now enjoys a renaissance of studies and new perspectives from the social sciences This landmark book is the first to synthesize and comprehensively evaluate this body of work It fosters an interdisciplinary international and critical engagement both in the social study of human rights and the establishment of a human rights approach throughout the field of sociology Sociological perspectives bring new questions to the interdisciplinary study of human rights as amply illustrated in this book The Handbook is indispensable to any interdisciplinary collection on human rights or on sociology This text Brings new perspectives to the study of human rights in an interdisciplinary fashion Offers state of the art summaries critical discussions of established human rights paradigms and a host of new insights and further research directions Fosters a comprehensive human rights approach to sociology topically representing all 45 sections of the American Sociological Association

Fashion and Contemporaneity Laura Petican, 2019-01-04 This book represents the voices of scholars fashion designers bloggers and artists who speak to the pervasive nature of fashion in matters of politics history economics sociology religion culture art and identity Dialogically open the volume offers a broad apprehension of visual matter in the global contemporary context with fashion at its core exploring its metamorphosing media oriented and disordered modes of

being in the early twenty first century The book s contributors consider topics of universal import stemming from the realm of fashion its dissemination and impact from institutional corporate collective and individual perspectives reflecting on the morphing interchanging and revolutionary quality of the visual realm as the basis for continued research in fashion studies Contributors are Shari Tamar Akal Jess Berry Naomi Braithwaite Claire Eldred Sarah Heaton Hilde Heim Demetra Kolakis Sarah Mole Lynn S Neal Laura Petican Cecilia Winterhalter Manrutt Wongkaew *The Global Edge* Prof. Alejandro

Portes,Ariel C. Armony,2018-09-11 Over the last quarter century no other city like Miami has rapidly transformed into a global city The Global Edge charts the social tensions and unexpected consequences of this remarkable process of change Acting as a follow up to the highly successful City on the Edge The Global Edge examines Miami in the context of globalization and scrutinizes its newfound place as a major international city Written by two well known scholars in the field the book examines Miami s rise as a finance and banking center and the simultaneous emergence of a highly diverse but contentious ethnic mosaic The Global Edge serves as a case study of Miami s present cultural economic and political transformation and describes how its future course can provide key lessons for other metropolitan areas throughout the world **Conservative Criminology** John Wright,Matt DeLisi,2015-11-06

Conservative Criminology serves as an important counterpoint to virtually every other academic text on crime Hundreds of books have been written about crime and criminal justice policy from a variety of perspectives including Marxist liberal progressive feminist radical and post modernist To date however no book has been written outlining a conservative perspective on crime and criminal justice policy Not a polemic against liberalism Conservative Criminology nonetheless focuses on how liberal ideology affects the study of crime and criminals and the policies that criminologist advocate Wright and DeLisi both senior scholars give a voice to a major political philosophy a philosophy often demonized by academics and to conservatives in the academic world In the end Conservative Criminology calls for an investment in intellectual diversity a respect for varying political philosophies and a renewed commitment to honesty in scholarship The authors encourage debate in the profession about the proper role of ideology in the academy and in public policies on crime and justice Conservative Criminology is for the criminal justice professional and student It serves as a stimulating supplement to courses in criminology and criminal justice as well as a primary text for special issues or capstone courses This book supports the reader in recognizing ideological biases whatever they might be and in considering their own convictions *Chinese Language and Culture Education* Chunyan Zhang,2024-04-02

Against the background of the Australian government s strategic plan to promote Asian languages in schools this book is an innovative autoethnographic inquiry into what actually occurs in the implementation of a Chinese language and culture program in an Australian context Drawing on eight years of socio cultural and educational fieldwork in a primary school Chunyan Zhang examines complex fluid and heterogeneous daily teaching practices and the ways in which ideas of China are assembled presented and performed She asks the following questions What is China Where does Taiwan fit into the China

depicted in a multicultural globalised classroom Can Chinese communism or Chairman Mao be avoided in teaching English speaking learners What kind of China is brought in here while what kind of China is being silenced and othered Through the partial connection between method assemblage and Daoist concepts Zhang develops a water like pedagogy in teaching She uses the knowledge flow model to examine the imbalanced knowledge flow within teacher student interactions From finding China as a hybrid assemblage to proposing China as method Zhang s investigation makes an important contribution to the sociology of Chinese language education This book is an essential and rich content resource for primary and secondary teacher education and research teacher candidates and educators in Chinese as a second language education **North**

American Integration Gaspare M. Genna, David A. Mayer-Foulkes, 2013-07-18 The course of events since the implementation of NAFTA has had unexpected elements with significant impacts on North American integration First has been the rise of China as a larger source of imports and production partner than Mexico Second has been the rise of security concerns since September 11 2001 The result has been much stronger integration between Canada and the US than with Mexico Migration issues are now linked with security which has risen to a top priority in the international agenda While liberalization has furnished strong economic incentives for integration it has not provided a sufficient guide for the political process which requires leadership and appropriate institutions to coordinate and regulate the special interest groups A coherent and effective North American integration would be a valuable asset in the context of global integration and competition yet the issues involved are quite complex and varied North American Integration An Institutional Void in Migration Security and Development examines the current state of North American integration Editors Gaspare M Genna and David A Mayer Foulkes gather an international group of experts to give a broad coherent picture of the current multifaceted process of integration and find that institutional development is an essential component Divided into three sections the book Discuss the determinants of integration and shows that the institutional characteristics of the three countries including democracy and basic rights are the most important Provides examples of institutional building in contexts for which institutions are lacking specifically labor migration and health issues Examines issues such as overall security arrangements trade drug related violence energy and the continuing wage gap among the countries which have an important bearing on integration Indovation T. Birtchnell, 2013-04-23 How should we understand the many reports that poverty is the mother of innovation in India What has the role of austerity been in the development of India s knowledge economy In this critical study of Indian innovation or Indovation Thomas Birtchnell explores how the complex mobilities of globals with stakes in India have transformed discourses and imaginaries about innovation in the region He adopts a critical eye to the notion of Indovation by focusing on the various circuits of globals where India s knowledge economy is concentrated expertise entrepreneurship and community Birtchnell traces the various discourses and counter discourses around an Indian way of working and illustrates how differences in the international dimensions of austerity allow India s knowledge economy

to prosper **Knowledge Networks and Tourism** Michelle McLeod, Roger Vaughan, 2014-11-20 The receipt of knowledge is a key ingredient by which the tourism sector can adjust and adapt to its dynamic environment However although its importance has long been recognised the fragmentation within the sector largely as a result of it being comprised of small and medium sized businesses makes understanding knowledge management challenging This book applies knowledge management and social network theories to the business of tourism to shed light on successful operations of tourism knowledge networks It contributes specifically to understanding a network perspective of the tourism sector the information needs of tourism businesses social network dynamics of tourism business operation knowledge flows within the tourism sector and the transformation of the tourism sector through knowledge networks Social Network Analysis is applied to fully explore the growth and maintenance of tourism knowledge networks and the relationships between tourism sector stakeholders in relation to their knowledge requirements Knowledge Networks and Tourism will be valuable reading for all those interested in successful operations of tourism knowledge networks **Globalizing Knowledge** Michael D. Kennedy, 2014-12-10 Heralding a push for higher education to adopt a more global perspective the term globalizing knowledge is today a popular catchphrase among academics and their circles The complications and consequences of this desire for greater worldliness however are rarely considered critically In this groundbreaking cultural political sociology of knowledge and change Michael D Kennedy rearticulates questions approaches and case studies to clarify intellectuals and institutions responsibilities in a world defined by transformation and crisis Globalizing Knowledge introduces the stakes of globalizing knowledge before examining how intellectuals and their institutions and networks shape and are shaped by globalization and world historical events from 2001 through the uprisings of 2011 13 But Kennedy is not only concerned with elaborating how wisdom is maintained and transmitted he also asks how we can recognize both interconnectedness and inequalities and possibilities for more knowledgeable change within and beyond academic circles Subsequent chapters are devoted to issues of public engagement the importance of recognizing difference and the local s implication in the global and the specific ways in which knowledge images and symbols are shared globally Kennedy considers numerous case studies from historical happenings in Poland Kosova Ukraine and Afghanistan to today s energy crisis Pussy Riot the Occupy Movement and beyond to illuminate how knowledge functions and might be used to affect good in the world **New Scholarship in Critical Quantitative Research, Part 2: New Populations, Approaches, and Challenges** Ryan S. Wells, Frances K. Stage, 2015-05-04 This volume is the second in a two part series on differentiating approaches to quantitative research from more traditional positivistic and postpositivistic approaches While the first volume provided an expanded conceptualization of critical quantitative inquiry this volume concludes the series by applying critical quantitative approaches to new populations of college students who are rarely addressed in institutional and higher education research such as American Indian Alaska Native and students with disabilities applying the principles of quantitative criticalism to

advanced methods of statistical analysis and discussing the variety of challenges to overcome and presenting a future research agenda using these methods This work is of interest to institutional and higher education researchers who want to expand and critique new ways of thinking about the broad array of populations participating in and served by higher education while keeping in mind the goals of revealing inequity challenging marginalization and helping all students to succeed This is the 163rd volume of this Jossey Bass quarterly report series Timely and comprehensive New Directions for Institutional Research provides planners and administrators in all types of academic institutions with guidelines in such areas as resource coordination information analysis program evaluation and institutional management **The Borders of**

"Europe" Nicholas De Genova, 2017-08-26 In recent years the borders of Europe have been perceived as being besieged by a staggering refugee and migration crisis The contributors to The Borders of Europe see this crisis less as an incursion into Europe by external conflicts than as the result of migrants exercising their freedom of movement Addressing the new technologies and technical forms European states use to curb control and constrain what contributors to the volume call the autonomy of migration this book shows how the continent's amorphous borders present a premier site for the enactment and disputation of the very idea of Europe They also outline how from Istanbul to London Sweden to Mali and Tunisia to Latvia migrants are finding ways to subvert visa policies and asylum procedures while negotiating increasingly militarized and surveilled borders Situating the migration crisis within a global frame and attending to migrant and refugee supporters as well as those who stoke nativist fears this timely volume demonstrates how the enforcement of Europe's borders is an important element of the worldwide regulation of human mobility Contributors Ruben Andersson Nicholas De Genova Dace Dzenovska Evelina Gambino Glenda Garelli Charles Heller Clara Lecadet Souad Osseiran Lorenzo Pezzani Fiorenza Picozza Stephan Scheel Maurice Stierl Laia Soto Bermant Martina Tazzioli PGT Commerce Chapter-wise Question Bank - Unit 7:

Business Management Dheeraj Kumar Singh, **Institutions Unbound** David L. Brunsma, Keri E. Iyall Smith, Brian K. Gran, 2016-03-02 Institutions like education family medicine culture and law are powerful social structures shaping how we live together As members of society we daily express our adherence to norms and values of institutions as we consciously and unconsciously reject and challenge them Our everyday experiences with institutions not only shape our connections with one another they can reinforce our binding to the status quo as we struggle to produce social change Institutions can help us do human rights Institutions that bridge nation states can offer resources including norms to advance human rights These institutions can serve as touch stones to changing minds and confronting human rights violations Institutions can also prevent us from doing human rights We create institutions but institutions can be difficult to change Institutions can weaken if not outright prevent human rights establishment and implementation To release human rights from their institutional bindings sociologists must solve riddles of how institutions work and determine social life This book is a step forward in identifying means by which we can loosen human rights from institutional constraints **Research Methods in Public**

Youth and Disability Jenny Slater, 2016-02-11 In this ground breaking book Jenny Slater uses the lens of the reasonable to explore how normative understandings of youth disability and the intersecting identities of gender and sexuality impact upon the lives of young disabled people Although youth and disability have separately been thought within socio cultural frameworks rarely have sociological studies of youth and disability been brought together By taking an interdisciplinary critical disability studies approach to explore the socio cultural concepts of youth and disability alongside one another Slater convincingly demonstrates that youth and disability have been conceptualised within medical psychological frameworks for too long With chapters focusing on access and youth culture independence autonomy and disabled people's movements and the body gender and sexuality this volume's intersectional and transdisciplinary engagement with social theory offers a significant contribution to existing theoretical and empirical literature and knowledges around disability and youth Indeed through highlighting the ableism of adulthood and the falsity of conceptualising youth as a time of becoming independent adult the need to shift approaches to research around disabled youth is one of the main themes of the book This book therefore is a provocation to rethink what is implicit about youth and disability Moreover through such an endeavour this book sits as a challenge to Mr Reasonable

Knowledge-building Karl Maton, Susan Hood, Suellen Shay, 2015-10-08 Education and knowledge have never been more important to society yet research is segmented by approach methodology or topic Legitimation Code Theory or LCT extends and integrates insights from Pierre Bourdieu and Basil Bernstein to offer a framework for research and practice that overcomes segmentalism This book shows how LCT can be used to build knowledge about education and society Comprising original papers by an international and multidisciplinary group of scholars Knowledge building offers the first primer in this fast growing approach Through case studies of major research projects Part I provides practical insights into how LCT can be used to build knowledge by enabling dialogue between theory and data in qualitative research bringing together quantitative

and qualitative methodologies in mixed methods research relating theory and practice in praxis conducting interdisciplinary studies with systemic functional linguistics Part II offers a series of studies of pressing issues facing knowledge building in education and beyond encompassing diverse subject areas including physics English cultural studies music and design educational sites schooling vocational education and higher education practices of research curriculum pedagogy and assessment both education and informal learning contexts such as museums and masonic lodges Carefully sequenced and interrelated these chapters form a coherent collection that gives a unique insight into one of the most thought provoking and innovative ways of building knowledge about knowledge building in education and society to have emerged this century This book is essential reading for all serious students and scholars of education sociology and linguistics

Ask what You Can Do for Your (new) Country Nadejda K. Marinova, 2017 Within recent years a new body of literature has emerged within international relations on transnationalism and foreign policy This literature has thus far focused on the strategic relationship between home states and their ethnic lobbies abroad often with regard to remittances to and politics in the home country This book breaks new ground in that it develops a theory about when how and for what reasons host states use diasporas and the ethnic lobbies they generate to advance foreign policy goals **Ask What You Can Do for Your New Country** focuses on a previously unexamined phenomenon how host governments utilize diasporas to advance their foreign policy agendas in mutually beneficial ways As was demonstrated in the run up to the 2003 invasion of Iraq when Iraqi exiles testified that Saddam Hussein possessed weapons of mass destruction ethnic lobbies have been utilized strategically by the United States and other countries for the promotion of political objectives Host states have even promoted the creation of such ethnic lobbies for this purpose As Nadejda K Marinova shows those who participate in such lobbies are of a particular subset of migrants who are politically active express a sustained vision for homeland politics and who often have existing ties to political institutions within the host state These groups then act as a link between the public and officials in their home state and other generally less politically active members of the diaspora via a coordinated effort by the host state She develops a theoretical model for determining the conditions under which a host state will decide to promote and utilize an ethnic lobby and she tests it against eight cases including the Bush Administration's use of the American Lebanese Cultural Union and the World Council for the Cedars Revolution in developing policy towards Lebanon and Syria the Iraqi National Congress in endorsing the US invasion of Iraq the Cuban American Committee's cooperation with the Carter administration in attempting to normalize relations with Cuba and the International Diaspora Engagement Alliance Idea launched by Secretary of State Hillary Clinton in 2011 to promote economic development in a number of countries
