This new title from a proven author of women's fiction, nearly 4 million units sold, will strike a chord with today's women because of its investigation of the effects on families of the current economic difficulties. It will also appeal to the stores currently searching for more romance and women's fiction. Carissa doesn't know who she is anymore. She and her husband Richard are recent empty nesters. Richard is spending more and more time at work counseling his volatile clients and less time at home with his wife; his clients are starting to show up at the house at night, causing Carissa to feel scared in her own home. And to top it all off, Carissa's boss informs her that she's been let go. She wonders where God is in all of this, since He doesn't seem to be around to protect her, and she's already stopped trusting her husband. In the midst of her world tilting off center, she's offered time at a hideaway on Maui. Hiding seems like the best way to respond to life's overload, and the thought of being alone sounds like just the right balm to soothe her wounded heart. The languid Hawaiian sun, white beaches, and warm-hearted people bring respite, but meeting handsome Kai causes Carissa to toy with the idea of being romantically involved with him. Then, under a Maui moon, she looks to God for guidance and hope for the future. That's when she discovers His hand still is on her life, and that love is closer than she ever realized. **One More Wish** Bonnie Paulson, 2025-08-01
