Arnold, 2005 Offering a unique blend of solid theoretical content and student accessibility this text 1 covers all the basics of microeconomics 2 gives students a clear idea of how economists think about the world 3 stresses the key concepts in economics and 4 is extremely rich in intriguing applications that convey the prevalence of economics in everyday life Many principles instructors are constantly challenged with the goal of getting students excited about realization that economics is everywhere Arnold has taken this to another level He is so passionate about touching his students that he felt the need to write a *Microeconomics* text that is dedicated to opening the science of economics through the pictures and applications of our lives Arnold is considered the most innovative author in this market to meet the fast pace interests of both instructors and students His five themes of Theory and Model building Key Concepts Primary and Secondary Consequences Real World Applications and the idea that Economics is about gifts exchanges and transfers set the tone for a teaching text that is extremely approachable by instructors and students **Studyguide for Macroeconomics by Arnold, Roger A.** Cram101 Textbook Reviews, 2013-05 Never HIGHLIGHT a Book Again Includes all testable terms concepts persons places and events Cram101 Just the FACTS101 studyguides gives all of the outlines highlights and quizzes for your textbook with optional online comprehensive practice tests Only Cram101 is Textbook Specific Accompanies 9780872893795 This item is printed on demand *Macroeconomics*

Roger A. Arnold, 2010-12-09 The economy is tough but Economics doesn't have to be. Let Roger Arnold's **MACROECONOMICS 10e** open up the world of economic analysis for your students. With more detailed coverage of the financial and economic crisis than any other principles text, on the market, fun and innovative pedagogy, easy customization, and fully integrated digital and course management options, **MACROECONOMICS** is the perfect solution for any classroom. The book's intriguing pop culture examples help bolster student interest by illustrating the unexpected places economics occurs and how economic forces link events to our lives and are part of your student's world. 24/7 Entirely new to this edition is a complete set of Video Lectures featuring author Roger Arnold as he works through key concepts and graphs in each chapter. Ideal for self study when students can play or replay the lectures or for online courses, the Video Lectures provide even greater flexibility for instructors. The Tenth Edition is integrated with powerful resources such as Aplia and Cengage's CourseMate for Economics, which provide unsurpassed planning and management tools like homework that is automatically assigned, graded, and recorded online, or tracking of students' time spent with online resources. With new chapters reflecting a changing economy and new resources addressing the needs of a changing classroom, **MACROECONOMICS 10e** is an ideal text for principles courses. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Forthcoming Books Rose Arny, 1999-08 **Macroeconomics** Roger A. Arnold, 2001 Offering a unique blend of solid theoretical content and student accessibility, this text stands apart with its emphasis on intriguing applications that convey the prevalence of economics in everyday life. By applying economics to a phenomenon that students are familiar with and interested in, this book demonstrates like no other text how economic analysis can be applied to virtually anything of interest, thus helping students develop true economic intuition. Additional student-oriented features include a unique active learning format, an emphasis on developing economic analysis skills, and an outstanding visual program for exhibits and graphs. Content highlights include balanced presentation of major macro theories, a micro presentation that centers around the trilogy of objectives, constraints, and choices, thorough integration of international topics, and fully integrated Internet features that offer hands-on exercises for exploring economics online. **Macroeconomics 5e** is also available in a micro split, and both micro and macro are in the principles text.
