

The Rogerian Argument

- ¶ **Introduction:** *Statement of your problem.* Present your argument as a problem in need of a solution, and raise the possibility of a positive change.
- ¶ **Summary of Opposing Views:** Statement of views of the opposition. Be as accurate and neutral as possible.
 - **Statement of Understanding:** Demonstrate that you are capable of listening without judging and that you have given a fair hearing to those who differ from you—the people you most need to reach.
- ¶ **Statement of your position:** Having won the attention of both opponents and those who have no position on the issue, explain your views.
 - **Statement of Contexts:** Show that you understand that there are situations in which the opponents' views are valid. Do not *concede* that their views are *always* right, but recognize those conditions (contexts) under which you share their views.
- ¶ **Statement of Benefits:** Appeal to the self-interest of your opponent by showing how they would benefit from accepting your position. The essay concludes with your **thesis** stated *in as positive a manner as possible*.

Beyond the Frontier Jill Dahlman, Piper Selden, 2015-10-05 Beyond the Frontier Innovations in First Year Composition is a compilation of the latest research in first year composition presented at and inspired by the Rocky Mountain Modern Language Association's Beyond the Frontier panels The book is divided similarly into panels with the editors having collected a sampling of the composition practices that will stand the test of time The purpose of the book is to present the reader with innovative methods and techniques for incorporation into the first year composition classroom or simply to provide food for thought passing the torch as it were so that new research can be conducted and new findings disseminated The division of the book mimics the panels one would typically find on a particular day during the Rocky Mountain Modern Language Association Conference providing the reader with a taste of what it's like to be in the room with first year composition scholars

The Open Hand Barry M. Kroll, 2013-11-15 Based on five years of classroom experimentation The Open Hand presents a highly practical yet transformational philosophy of teaching argumentative writing In his course Arguing as an Art of Peace Barry Kroll uses the open hand to represent an alternative approach to argument asking students to argue in a way that promotes harmony rather than divisiveness and avoiding conventional conflict based approaches Kroll cultivates a bodily investigation of noncombative

argument offering direct pedagogical strategies anchored in three modalities of learning conceptual procedural kinesthetic and contemplative and projects activities assignments informal responses and final papers for students Kinesthetic exercises derived from martial arts and contemplative meditation and mindfulness practices are key to the approach with Kroll specifically using movement as a physical analogy for tactics of arguing Collaboration mediation and empathy are important yet overlooked values in communicative exchange This practical engaging and accessible guide for teachers contains clear examples and compelling discussions of pedagogical strategies that teach students not only how to write persuasively but also how to deal with personal conflict in their daily lives *Twenty-One Genres and How to Write Them* Brock

Dethier,2013-04-15 In this classroom tested approach to writing Brock Dethier teaches readers how to analyze and write twenty one genres that students are likely to encounter in college and beyond This practical student friendly task oriented text confidently guides writers through step by step processes reducing the anxiety commonly associated with writing tasks In the first section Dethier efficiently presents each genre providing models a description of the genres purpose context and discourse and suggestions for writing activities or moves that writers can use to get words on the page and accomplish their writing tasks The second section explains these moves over two hundred of them in chapters ranging from Solve Your Process Problems and Discover to Revise and Present Applicable to any writing task or genre these moves help students overcome writing blocks and develop a piece of writing from the first glimmers of an idea to its presentation This approach to managing the complexity and challenge of writing in college strives to be useful flexible eclectic and brief a valuable resource for students learning to negotiate unfamiliar writing situations *Resources in Education* ,1998-10 **Mastering**
