[A People's Guide to An Interfaith Christian Theology in a Time of Transformation](#) Harvey H. Honig, 2022-05-17 Harvey H Honig began his life's work as a Lutheran minister but soon recognized his need for a more spacious and inclusive approach through which to heal and understand his inner self This led him to spend many years exploring and experiencing other paths of religion and spirituality In recent years though he found that the message mission and being of Jesus still played a powerful and transformative role in his life Since common understandings of the life of Jesus are embedded within a biblical and historical framework Honig wanted to explore the meaning of Christianity within the framework of our current world An

Interfaith Christian Theology is for fellow seekers who are drawn to the being and message of Jesus but can no longer relate to the dissonance between reality and belief that so many churches require Honig's approach differs from traditional Christian theology in two ways first it does not stem from the framework of a specific denomination and second it presents itself as a way of thinking about Christianity rather than the only way After several years as a minister Honig began Jungian analytic training and earned a PhD in psychology at Loyola University Chicago Jung gave Honig the tools he needed to continue his personal search for a life affirming view of Christianity and to assist others in their search for inner truth and healing

The Sifted Generation Michael L. Henderson, 2015-04-08 Has the final end time generation spoken of by Jesus and the prophets finally arrived Could our generation be the one that is witnessing the beginning phases of the second coming of the Lord If so will you be one of the faithful Jesus finds when He calls His church to heaven In *The Sifted Generation* Pastor Michael Henderson takes a unique look at the final generation from which the true church will be sifted just prior to the days of tribulation that are coming on the entire earth The Bible tells us the times of that generation will be perilous Blasphemies selfishness rebelliousness gracelessness slanderous hearts hedonistic behavior and a lack of respect for God His church and His commandments will rule the day As evidenced in the social and cultural wars around the globe it is evident that the world is already choosing its sides Ironically the Bible declares that a man will arise in the last days He will be a religious leader who will have great charisma and the uncanny ability to garner support from large sections of unbelieving humanity Through deceptive words promises and the quasi miraculous this religious leader will then persuade

his followers to support one even more sinister than he This partner in deception will pounce on the opportunity to take the reins of the world under his control The Sifted Generation explores what life will be like on Earth just before the Lord begins the consummation of all things The question is When the Son of Man comes will He really find faith on the Earth Luke 18 8 Other titles by the author are 25 Reasons to Believe editor and co author with Bernie Lutchman and John Snyder and Those Who Are Wise Will Shine Michael also writes for the periodical The American Church Magazine

The Priesthood of All Believers and the Missio Dei Henry Joseph Voss, 2016-10-25 The priesthood of all believers is a pillar undergirding Protestant ecclesiology Yet the doctrine has often been used to serve diverse agendas This book examines the doctrine's canonical catholic and contextual dimensions It first identifies the priesthood of all believers as a canonical doctrine based upon the royal priesthood of Christ and closely related to the believer's eschatological temple service and offering of spiritual sacrifices chapters 1-3 It secondly describes its catholic development by examining three paradigmatic shifts shifts especially associated with Christendom chapters 4-6 and a suppression of the doctrine's missional component Finally the book argues that a Christian doctrine of the priesthood of all

believers should be developed with a Christocentric Trinitarian understanding of the *missio Dei*. This suggests there are especially appropriate ways for the royal priesthood to relate to the Father to the Son and to the Holy Spirit. A canonically and catholically informed priesthood of all believers leads contextually to particular ecclesial practices. These seven practices are 1 Baptism as public ordination to the royal priesthood 2 Prayer 3 *Lectio Divina* 4 Ministry 5 Church Discipline 6 Proclamation and 7 the Lord's Supper as the renewal of the royal priesthood.

This analysis reveals how the interrelated topoi of illness space mercy and conversion converge to articulate Francis's vision for the Church. Under Francis the Catholic Church's virtue of mercy gets renewed and redeployed to papal pastoral and political sites for the purpose of conversion. Each chapter identifies several of Francis's dominant rhetorical strategies. These pope tropes take the form of existing and widely held Catholic beliefs that while stable still invite interpretation disputation and open dialogue. Studying Francis's various discourses provides us with an exemplary paradigm from which we can learn much about faith humility love and papal rhetoric's transformative capacity to help us live more compassionate lives.

Decades ago cosmologists speculated that our universe might be a gigantic holographic image. Since then the holographic principle has only gained traction. Is a multiverse a problem for God? Do time and free will exist? What does it all mean for Christians? Introducing the holographic principle and exploring implications of other worlds through a Christian lens this basic guide gives individuals and small groups a perspective of eternal investment prayer study and intentional living that focuses on the Bible as the unchanging source of truth presenting practical information for sorting fact from fiction engaging with modern culture and finding a firmer worldview in Christ.
