**The Viscount's Forbidden Love** M.M. Wakeford,2024-07-01 A beautiful romance and a fitting end to this original series Goodreads review A slow burn romance with lots of angst and tension I feel that Ms Wakeford wrote this story with real sensitivity and with a sense of reality of the time Goodreads review From the moment I first met you I have felt an inexplicable attraction I want you Ambrose and I am unashamed to say it Daniel Stanton has been blessed with everything He is charming confident and handsome and heir to the great Stanton fortune At age 24 he has had his fair share of amorous adventures with women as well as one tantalising experience with a man leaving him wondering about his sexual inclinations Those questions are quickly answered when he first meets Ambrose Cranshaw his grandfather s estate manager He wants the man and what he wants he usually gets Not this time though Ambrose Cranshaw is everything

that Daniel is not With no fortune to his name and no connections he has had to work hard to support himself and his younger sister climbing his way up in the world to the trusted position of the Earl of Stanton s estate manager He may yearn in secret for other men but he will never risk it all by acting out on his yearnings When he first meets debonair and charming Daniel Stanton he knows at once that the man is dangerous With one flash of those dark torrid eyes Daniel could bring the whole edifice of Ambrose s life crumbling down At all costs Ambrose must hide his true feelings for him The Viscount s Forbidden Love is the fourth novel in The Stanton Legacy series The series is best read in order although each book does have its own featured hero heroine and HEA Set in Victorian England this is an MM romance with plenty of heart angst and steam and it does have a happy ending that is realistic and in keeping with the time it is set in Search terms complete series MM romance slow burn romance angst historical romance Victorian romance gay romance employer employee romance bisexual hero love triangle opposites attract instalove The Stanton Legacy series 1 The Viscount s Scandalous Affair 2 The Vixen s Unlikely Marriage 3 The Bluestocking s Secret Obsession 4 The Viscount s Forbidden Love 5 Miss Stanton Meets her Match spin off novella 6 Mr Templeton Finds Himself a Wife spin off novella **The Darkest Promise** Gena Showalter,2017-06-13 New York Times bestselling author Gena Showalter returns with a sizzling Lords of the Underworld story about an iron willed sovereign and the somber beauty who melts him with a glance Possessed by the demon of Misery Cameo isn t allowed to experience joy If she dares her memory is wiped clean With no other recourse she sneaks into a land more fantastical than any fairy tale determined to find the one man with the key to her redemption Lazarus the Cruel and Unusual rules his kingdom with a single unwavering focus to build his army and annihilate his enemies Nothing distracts him until Cameo He is relentless in his quest to make her smile and seduce her into his bed As dark forces conspire against them threatening to destroy the fragile bond they ve forged the once calm Lazarus grows crazed Every heart stopping kiss and wicked touch causes Cameo to teeter on the brink of happiness But if she falls she risks forgetting him forever **Victorian Keats and Romantic Carlyle** ,2022-02-22 Both John Keats and Thomas Carlyle were born in 1795 but one rarely thinks of them together When one does curious speculations result It is difficult to think of Carlyle as a young Romantic or of Keats as a Victorian Sage but had Carlyle died prematurely and had Keats lived to a ripe old age we might now be considering a Romantic Carlyle and a Victorian Keats Such a juxtaposition leads one to consider the use and abuse the fusions and confusions of period terms in literary history and in criticism Does Carlyle represent Romanticism as typically as Keats Does Keats s work give us any cause to believe that he might have developed into a Victorian poet Do the terms Romanticism and Victorian have any useful literary historical and literary critical value What are the marks of the transition from one to the other Or is the existence of such a transition an illusion In this volume some essays consider aspects of Keats or of Carlyle independently or together or focus on contemporaries of one or other or of both and explore the effect of their literary and ideological relationships and the often indefinable sense that we all have of different styles manners and periods as well as

the awareness that we might all be equally deceived about such distinctive boundaries and definitions      The Bitter Side of Love Vallerian M. Emerson,1881      **Fin-de-Siècle Splendor** Dewei Wang,1997 The reigning view of literary historians has been that the May Fourth movement of 1919 marks the division between the traditional and the modern in Chinese literature This book argues that signs of reform and innovation can be discerned long before May Fourth and that as China entered the arena of modern international history in the late Qing it was already developing its own complex matrix of incipient modernities It demonstrates that late Qing fiction nurtured a creative innovative poetics one that was spurned by the reformers of the May Fourth generation in favor of Western style realism The author recognizes that a full account of modern Chinese fiction needs to ask why so many genres styles themes and figures found in late imperial fiction were repressed by modern Chinese literary discourse He focuses on four genres of late Qing fiction that have been either rudely dismissed in pejorative terms or simply ignored depravity romances court case and chivalric cycles grotesque exposés and scientific fantasies The author shows that in spite of the realist orthodoxy that has dominated Chinese literature since the May Fourth movement these unwelcome genres have continually found their way back into mainstream discourse their influence being increasingly evident in recent decades This first comprehensive study of late Qing fiction discusses more than sixty works at least half of which have rarely or never been dealt with by Western or Chinese scholars Richly informed by contemporary literary theory this book constitutes a polemical rethinking of the nature of Chinese literary and cultural modernity      Rancher's Refuge

**New Outlook** ,1911      *The Romantic Idea of the Golden Age in Friedrich Schlegel's Philosophy of History* Asko Nivala,2017-02-03 The nineteenth century Romantic understanding of history is often confused with the longing for the past Golden Age In this book the Romantic idea of Golden Age is seen from a new angle by discussing it in the context of Friedrich Schlegel s works Interestingly Schlegel argued that the concept of a past Golden Age in the beginning of history was itself a product of antiquity imagined without any historical ground The Golden Age was not bygone for Schlegel but to be produced in the future His utopian vision of the Kingdom of God was related to the millenarian expectations of perpetual peace aroused by the revolutionary wars Schlegel understood current era through the kairos concept which emphasized the present possibilities for public agency Thus history could not be reduced to any kind of pre established pattern of redemption for the future was determined only by the opportunities manifested in the present time
