Robert S Stokes Book:

Literary News ,1901 The American Bookseller ,1887 *Troubled American* Richard Lemon,1971-10-15 From Simon Schuster *Troubled American* is Richard Lemon's exploration of America's new found discontent as discovered in a famous Gallup Poll Richard Lemon's *Troubled American* compiles studies and sentiments from recent decades to focus on America's discontent and what specifically has contributed to this new found feeling including political unrest and the troubles of middle America *Literary News* Frederick Leyboldt,1896 *The Friend* ,1892 **The Publishers Weekly** ,1895

The Congregationalist ,1925 *Cumulated Index to the Books* ,1915 *Navajo Trading* Willow Roberts Powers,2002-11 This overview is the first to examine trading in the last quarter of the twentieth century when changes in both Navajo and white cultures led to the investigation of trading practices by the Federal Trade Commission resulting in the demise of most traditional trading posts **The Navy List** Great Britain. Admiralty,1881 *Both Sides of the Bullpen* Robert S. McPherson,2017-10-19 Between 1880 and 1940 Navajo and Ute families and westward trending Anglos met in the bullpens of southwestern trading posts to barter for material goods As the products of the livestock economy of Navajo culture were exchanged for the merchandise of an industrialized nation a wealth of cultural knowledge also changed hands In *Both Sides of the Bullpen* Robert S McPherson reveals the ways that Navajo tradition fundamentally reshaped and defined trading practices in the Four Corners area of southeastern Utah and southwestern Colorado Drawing on oral histories of Native peoples and traders collected over thirty years of research McPherson explores these interactions from both perspectives as wool blankets and silver crossed the counter in exchange for flour coffee and hardware To succeed traders had to meet the needs and expectations of their customers often interpreted through Navajo cultural standards From the organization of the post building to gift giving health care and burial services and a credit system tailored to the Navajo calendar every feature of the trading post served trader and customer alike Over time these posts evolved from ad hoc business ventures or profitable cooperative stores into institutions with a clearly defined set of expectations that followed Navajo traditional practices Traders spent their days evaluating craft work learning the financial circumstances of each Native family following economic trends in the wool and livestock industry back east and avoiding conflict In detail and depth the many voices woven throughout *Both Sides of the Bullpen* restore an underappreciated era to the history of the American Southwest They show us that for American Indians and white traders alike in the Four Corners region during the late 1800s and early 1900s barter was as much a cultural expression as it was an economic necessity The English Catalogue of Books Sampson Low,1926 Volumes for 1898 1968 include a directory of publishers **Navajo Land, Navajo Culture** Robert S. McPherson,2001 In *Navajo Land Navajo Culture* Robert S McPherson presents an intimate history of the Din or Navajo people of southeastern Utah Moving beyond standard history by incorporating Native voices the author shows how the Dine's culture and economy have both persisted and changed during the twentieth century As the dominant white culture

increasingly affected their worldview these Navajos adjusted to change took what they perceived as beneficial and shaped or filtered outside influences to preserve traditional values With guidance from Navajo elders McPherson describes varied experiences ranging from traditional deer hunting to livestock reduction from bartering at a trading post to acting in John Ford movies and from the coming of the automobile to the burgeoning of the tourist industry Clearly written and richly detailed this book offers new perspectives on a people who have adapted to new conditions while shaping their own destiny
