Make his father's watch company a success while bringing in millions of dollars. To do that, he needs an assistant to fill in, and he needs one now. When Rosalee Clarkson walks through his door, he's immediately drawn to her wit, intelligence, and of course, her beauty. She'll be a perfect fit for the job, and when he discovers her living situation is less than ideal, he does what any wealthy bachelor would do: he offers her the use of his guesthouse. She accepts with one condition: nothing can happen between them. Can they really commit to that? Only time will tell. WORTH THE COST: Some things are worth the cost of their consequences. Rosalee Clarkson isn't looking for love; she's looking for a temporary job. When she landed the job working as Anthony Accardi's personal assistant, she could have never imagined things developing the way they had. She was living in his guest house and getting full access to the man himself. Things are explosive between them. Sex with him is off the charts. She knows it's wrong to sleep with the boss, but there is no denying the chemistry between them. When he asks her to go to Italy on a business trip, she is forced to decide between what she wants and what her heart demands. SECRET ADMIRERS: Some things are worth the cost of their consequences. Anthony Accardi sets out to Italy to make his dream of opening one of his father's stores. He has his beautiful assistant, Rosalee Clarkson, by his side, and things couldn't be any better. His extended family welcomes him with open arms, and he opens his eyes to new things, including the idea of love. There is only one thing holding him back from truly being happy: his father's poor health. When things take a turn for the worse, his entire world is upside down. It's Rosalee he turns to. She has become his rock, his everything, but is what he feels for her real, or part of the magic of being in a foreign land?
