God's elect walk not after the flesh but after the Spirit Romans 8:1 He states that those who do not walk in the Spirit but instead walk in the flesh shall not inherit the kingdom of God Galatians 5:15-25 John explains If we say that we have fellowship with him and walk in darkness we lie and do not the truth But if we walk in the light as he is in the light we have fellowship one with another and the blood of Jesus Christ his Son cleanseth us from all sin 1 John 1:6-7 James asks a rhetorical question What doth it profit my brethren though a man say he hath faith and have not works can faith save him James 2:14 James succinctly explains that faith without works is dead James 2:20 The pronouncement in James that true faith bears the fruit of good works is a theme found in the gospel But some perniciously preach that God saves a person by faith that has no good works That is one of the damnable heresies about which Peter warned See 2 Peter 2:1-22

Murder, Rape, and Torture in a Catholic Nunnery Edward Hendrie, 2015-05 There has probably not been a person more maligned by the powerful forces of the Roman Catholic Church than Maria Monk In 1836 she published the famous book Awful Disclosures of the Hotel Dieu Nunnery of Montreal In that book she told of murder rape and torture behind the walls of the cloistered nunnery Because the evidence was verifiably true the Catholic hierarchy found it necessary to fabricate evidence and suborn perjury in an attempt to destroy the credibility of Maria Monk The Catholic Church has kept up the character assassination of Maria Monk now for over 175 years Edward Hendrie has examined the evidence and set it forth for the readers to decide for themselves whether Maria Monk was an impostor or a brave victim An objective view of the evidence leads to the ineluctable conclusion that Maria Monk told the truth about what happened behind the walls of the Hotel Dieu Nunnery of Montreal The Roman Catholic Church which is the most powerful religious and political organization in the world has engaged in an unceasing campaign of vilification against Maria Monk Its crusade against Maria Monk however can only affect the opinion of the uninformed It cannot change the evidence The evidence speaks clearly to those who will look at the case objectively The evidence reveals that the much maligned Maria Monk was a reliable witness who made awful but accurate disclosures about life in a cloistered nunnery

The Greatest Lie on Earth (Expanded Edition) Edward Hendrie, 2018-09-12 This book reveals the mother of all conspiracies It sets forth biblical proof and irrefutable evidence that will cause the scales to fall from your eyes and reveal that the world you thought existed is a myth The most universally accepted scientific belief today is that the earth is a globe spinning on its axis at a speed of approximately 1 000 miles per hour at the equator while at the same time it is orbiting the sun at approximately 66 600 miles per hour All of this is happening as the sun in turn is supposed to be hurtling through the Milky Way galaxy at approximately 500 000 miles per hour The Milky Way galaxy itself is alleged to be racing through space at a speed ranging from 300 000 to 1 340 000 miles per hour What most people are not told is that the purported spinning orbiting and speeding through space has never been proven In fact every scientific experiment that has ever been performed to determine the motion of the earth has proven that the earth is stationary Yet textbooks ignore the scientific proof that contradicts the myth of a spinning and orbiting globe

Christian schools have been hoodwinked into teaching heliocentrism despite the clear teaching in the bible that the earth is not a sphere and does not move This book reveals the evil forces behind the heliocentric deception and why scientists and the Christian churches have gone along with it **In His Name** E. Christopher Reyes,2010-05 Many devout Christians will not like this book as I have discovered that they are neither interested nor concerned with anything which challenges their long taught beliefs I did not make history but merely write on its historical significance in the events of mankind For those truth seekers who are interested in the Why regarding religious beliefs this book offers a genesis of Christian beliefs Religion is a multi million dollar a year business and world wide that figure runs into the billions Is the true nature of faith focused on mankind or merely a financial endeavor Extraordinary care has been taken to present the good and the bad as well as the ugly side of religion , **The Lincoln Murder Conspiracies** William Hanchett,1989-01-15 Examines the many theories that have led to speculation that Lincoln s assassination was a conspiracy *The Assassination of Abraham Lincoln* William H. Seward,Frederick W. Seward,2021-10-29 Reprint of the original first published in 1866 **Avenging Lincoln's Death** Thomas J. Reed,2015-11-12 Avenging Lincoln s Death The Trial of John Wilkes Booth s Accomplices is an examination of the 1865 military commission trial of eight alleged accomplices of John Wilkes Booth the assassin who murdered President Abraham Lincoln The book analyzes the trial transcript and other relevant evidence relating to the guilt of Booth s alleged accomplices as well as a careful application of basic constitutional law principles to the jurisdiction of the military commission and the fundamental fairness of the trial The author found that the military commission trial was unconstitutional and unfair because Congress never authorized trial by military commission for these eight civilians President Johnson exceeded the scope of his authority as commander in chief by ordering the accomplices to be tried by military commission He failed to follow the Habeas Corpus Act of 1863 that required him to turn over the alleged accomplices to civilian authorities for prosecution The accomplices were convicted on perjured testimony and the Government was allowed to drag in unrelated evidence of Confederate atrocities to poison the minds of the panel of officers **"They Have Killed Papa Dead!"** Anthony S. Pitch,2018-09-11 The assassination of Abraham Lincoln is a central drama of the American experience Its impact is felt to this day and the basic story is known to all Anthony Pitch s thrilling account of the Lincoln conspiracy and its aftermath transcends the mere facts of that awful night during which dashing actor John Wilkes Booth shot Lincoln in the head and would be assassin Lewis Payne butchered Secretary of State William Seward in the bed of his own home They Have Killed Papa Dead transports the reader to one of the most breathtaking moments in history and reveals much about the stories passions and times of those who shaped this great tragedy Virtually every word of Anthony Pitch s account is based on primary source material quotes from previously unpublished documents diaries letters and journals With an unwavering fidelity to historical accuracy Pitch provides confirmation of threats against the president elect s life as he traveled to Washington by train for his first inauguration and a vivid personal account of John Wilkes Booth being physically restrained

from approaching Lincoln at his second inauguration Perhaps most chillingly details come to light about conditions in the special prison where the civilian conspirators accused of participating in the Lincoln assassination endured tortuous conditions in extreme isolation and deprivation hooded and shackled before and even during their military trial Pitch masterfully synthesizes the findings of his prodigious research into a tight gripping narrative that adds important insights to our national story
