Rediscovering an Evangelical Heritage Donald W. Dayton, 2014-11-25 This book widely regarded as groundbreaking since its publication over thirty five years ago sheds light on the more radical and prophetic roots of American evangelicalism and has challenged countless readers to rethink their evangelical heritage It argues that nineteenth century American evangelicals held a more mature vision of the faith for they engaged demanding justice peace and social issues a vision that was betrayed and distorted by twentieth century neo evangelicals The book helps readers understand that the broader origins of American evangelicalism include the social justice concerns of today's church Featuring new historic photos and illustrations this edition includes new introductory and concluding chapters and incorporates relevant updates The previous edition was published as *Discovering an Evangelical Heritage* **The Holiness Revival of the Nineteenth Century** Melvin Easterday Dieter, 1996 This new edition expands and updates the only general interpretation of the rise and influence of perfectionist revivalism in America and Europe Fifteen years of expanding research on the holiness movement reinforce this volume's continuing seminal value to cultural and social research The new concluding essay describes the history of the revival through the turn of the century This book expands our understanding of the fragmentation and coalescence of American religion by analyzing the factors which created numerous new holiness denominations Dieter also outlines the historical and theological factors that separate this largely Wesleyan and Methodist wing of evangelicalism from the fundamentalism of Reformed evangelicals The identification of such nuances will prove especially helpful to those struggling

with the extreme diversity in American religion especially in evangelicalism For students and scholars of American religious movements as well as students of the feminist temperance abolitionist and populist movements in American society *From Aldersgate to Azusa Street* Henry H. Knight III, 2010-08-11 Historians have noted the connections between the Wesleyan Methodist movement that began in the eighteenth century the emergence of African American Methodist traditions and an interdenominational Holiness movement in the nineteenth century and the birth of Pentecostalism in the twentieth century This volume written by historians theologians and pastors builds on that earlier work The contributors present a diverse array of key figures denominational leaders and mavericks institutional loyalists and come outers clergy and laity who embodied these movements The authors show that in spite of their differing historical and cultural contexts these movements constitute a distinct theological family whose confident and expectant faith in the transforming power of God has significant implications for the renewal of the contemporary church and its faithfulness to God's mission in the world today Contributors Corky Alexander Estrela Alexander Kimberly Ervin Alexander Leslie D Callahan Barry L Callen Douglas R Cullum Dennis C Dickerson D William Faupel Philip Hamner David Aaron Johnson J C Kelley Henry H Knight III William C Kostlevy Diane K Leclerc Joshua J McMullen Rodney McNeill Stephen W Rankin Harold E Raser Douglas M Strong Matthew K Thompson Wallace Thornton Jr L F Thuston Arlene Sanchez Walsh Steven J Land Laura Guy John H Wigger **Historical Dictionary of Methodism** Charles Yrigoyen Jr., Susan E. themes in which eternal Rome lies at the center of the cosmos John seeks to persuade his hearers that the world as governed and sustained by Caesar and the Roman gods and perpetuated through the Roman cult and economy is a false order passing away in order that God's new creation narrated by truthful worship and costly witness to the Lamb can emerge as gift The book concludes with suggestions for fruitful conversation with recent work in apocalyptic theology *Rethinking Methodist History* Russell E.
