Phoenix Quest Adventures First Three Novels:

Anthology 3 Quest for a Queen James Malcolm, 2013-04-15 Leap of Faith It was late morning the birds were singing and all but a few were still asleep The colony had worked as hard as they played and the late night fun had taken its toll on everyone The events of the day before were a huge success with games and pageantry along a few surprises thrown in Digger Luna and Cocoa had slept outside near the ponds and were joined by Amy Austin Ricky and Chord who were the first of early risers The cricket was very impressed by the ants They were everything the rabbit had said they were He was intrigued by their creative nature and fascinated with their determination Id never been to a party like yours until last night I played so hard and had so much fun my legs are a little sore this morning Chord admitted Weve never had a party like that before but I know what you mean With all the running and dancing my legs are tired too Ricky replied I may be the only one whos not exhausted I guess its because I didnt have a dance partner but my throat is a little dry from all my whistling the rabbit shared Digger told me you guys are looking for your queen Chord said We were but weve got one now Amy teased What do you need a queen for Youve already got everything you could possibly want This might sound strange to you but its the queen who needs us Austin answered Nothing is strange to me anymore not after yesterday I hadnt considered the queen needing you but I see your point We have a lot of knowledge to share which would improve her colonies quality of life and possibly insure their survival Every colony should have a queen and its the one thing we dont have Austin explained Ive seen ants along the creek and near the woods several times but I dont know where they come from Chord admitted Theyve crossed the meadow through my mushroom patch too I think the colony is somewhere along the fence line Digger added I appreciate all the information We havent decided when well resume our search but Im sure it will be in the very near future Austin shared The friends departed for home a short time later before everyone else woke up Life in the colony had changed forever The city was as complete as it could be and the timetable of future projects was virtually nonexistent They were proud of all they had accomplished in such a short time but now the challenge was missing for some of the educated ants It wasnt that they were unhappy for life had been good but their desire had always been to find their queen Having time on their hands gave them more thoughts about reaching that goal They knew they had to resume their quest for a queen They could feel the desire in their heart and soon it would be time to leave again The original nine ants met with Adam and James in a private meeting away from the colony It was their quest and they couldnt expect the rest of the colony to participate since they hadnt missed having a queen and done quite well This was personal and dear to their hearts James would have to run the colony in their absence Agnes was adamant about staying behind She had experienced enough excitement for a lifetime just in reaching the barn and had no desire for the drama of a quest She had everything she needed and wanted nothing more Louise was still fulfilling her dream as a seamstress and there was definitely a need for her services She wanted to go but her heart was in her work Christian wanted to stay where the food was He didnt want to worry about his

next meal Besides he couldn't think when he was hungry Adam on the other hand wanted to go He'd never been on a real adventure before and wanted to live it for himself rather than hear the stories told through someone else He begged his dad to let him go and James agreed knowing

What Is Your Quest? Anastasia Salter,2014-11-01 What Is Your Quest examines the future of electronic literature in a world where tablets and e readers are becoming as common as printed books and where fans are blurring the distinction between reader and author The construction of new ways of storytelling is already underway it is happening on the edges of the mainstream gaming industry and in the spaces between media on the foundations set by classic games Along these margins convergent storytelling allows for playful reading and reading becomes a strategy of play One of the earliest models for this new way of telling stories was the adventure game the kind of game centered on quests in which the characters must overcome obstacles and puzzles After they fell out of fashion in the 1990s fans made strenuous efforts to keep them alive and to create new games in the genre Such activities highlight both the convergence of game and story and the collapsing distinction between reader and author Continually defying the forces of obsolescence fans return abandoned games to a playable state and treat stories as ever evolving narratives Similarly players of massive multiplayer games become co creators of the game experience building characters and creating social networks that recombine a reading and gaming community The interactions between storytellers and readers between programmers and creators and among fans turned world builders are essential to the development of innovative ways of telling stories And at the same time that fan activities foster the convergence of digital gaming and storytelling new and increasingly accessible tools and models for interactive narrative empower a broadening range of storytellers It is precisely this interactivity among a range of users surrounding these new platforms that is radically reshaping both e books and games and those who read and play with them
