*Photoshop for Video* Richard Harrington, 2012-09-10 Master the graphic design and production skills required of today's video editors and motion graphic professionals with this comprehensive guide to the video tools in Adobe Photoshop CS3 Extended. Every page is filled with techniques to help the video professional make graphics for use in television, video, the Internet, and DVD. Lively discourse, full color presentations, and hands-on tutorials demonstrate everything you need to know about how to combine still and moving images. Fundamental concepts such as transparency, pixel aspect ratio, and alpha channels are made precisely clear, and advanced techniques show how to use Photoshop as a character generator, color corrector, and animation tool. This edition features expanded coverage of DVD and motion graphics design, as well as addressing recent developments in High Definition video, 3D models, and 32-bit imaging. This indispensable reference includes real-world solutions for making graphics for video, introduction to third-party plug-ins, automation, and shortcut methods that cut production time. Profiles of notable editors and motion graphic artists that include their favorite tips and tricks. The downloadable resources offer a hands-on multimedia experience with hundreds of images to work on, tutorials to complete, and 2 1/2 hours of video training to watch. Authored in CS3, CS4 updates are provided to readers by the publisher. [America at Night](#) Larry J. Kolb, 2008-02-05 From the author of *Overworld*, *America at Night* reads like a thriller, but is the kind of story about which fiction writers can only dream. The New

York Times When the Department of Homeland Security suspects that two former CIA operatives are at the center of plot involving money laundering and the funding of Al Qaeda and when their supposedly comprehensive database turns up little to no information on either man it takes former covert operative Larry Kolb to crack the case and foil the plan But when Kolb begins to connect the dots he realizes something even more sinister is afoot and that he is on to the biggest possible con with the highest political stakes Kolb shows us how one well informed individual did what all of our security agencies could not trail two brilliant covert political operatives through a labyrinth of disguised identities and dark crimes to expose corruption at the highest levels *Catalog of Copyright Entries.
