The Harvard business plan is one of the most often used and abused. It was an early attempt to create a business plan that was simple and easy to use. It was developed by Harvard Business School professor John A. Byrne in the 1960s. The plan was designed to be a simple, easy-to-use tool for business owners and managers. It was based on the idea that a business plan should be a simple, easy-to-use tool for business owners and managers. It was designed to be a simple, easy-to-use tool for business owners and managers.
