**The Complete Guide to Pre-employment Testing** Job Test Prep (Firm), Simon & Schuster, 2006. Aptitude tests are a critical and the most common element in the job selection process. These tests also known as IQ intelligence and psychometric tests measure a range of verbal numerical abstract skills. These tests mostly developed by testing agencies and specialists in the field such as SHL and OPP are commonly used by recruitment agencies and employers. They aim at evaluating your intelligence and are used for one purpose only to assist recruiters in finding those candidates with the highest scores. Aptitude tests are rather difficult but the good news is that Job Test Prep offers introduction to and knowledge of the relevant tests and test providers such as SHL prior to the real ones. Individually tailored courses based on your line of work multi mode on line training system step by step and real simulation mode constructive feedback and tips on how to improve your scores in your next test. These four elements will significantly improve your tests results and thus improve your chances to land that job. Once you've completed this preparation book you'll feel knowledgeable comfortable and ready to face the challenge of the test.
