Sandman S Ghost The Antithesis Of Sleep:

Sandman's Ghost: The Antithesis of Sleep W. J. Walker, Lee Walker, 2014-12-10 It's a medical mystery that has the doctors in Grand Mont New York stumped. Patients they've known for a lifetime healthy people who have never had a problem before are unable to sleep and ultimately start to feel like zombies. And not just for a night or two their sleeplessness lasts for weeks. When the weeks turn into months the patients steadily decline becoming restless and agitated losing their ability to function normally and finally lapse into a coma a final sleep from which there will be no waking up. Death follows soon after. It is a scientific puzzle difficult for even the brightest of physicians and scientists to understand. Paxton McDonald is called upon to evaluate the situation bringing her problem solving talents and skills in discovering the cause of the illness. It was as if the proverbial Sandman had died in fact he had not just died but his ghost had come back with a vengeance. She dubs it Sandman's Ghost The Antithesis of Sleep. What do these patients have in common? Where did the illness begin? And why are the patients' routine workups blood work MRIs and CT scans showing nothing out of the ordinary? As Paxton and the doctors rule out one diagnosis after another the mystery deepens while the ranks of ill and dying patients increase. Meghan Magee chief medical examiner for the county autopsies the patients who've died from the illness and makes a shocking discovery. Their brains have changed in a way she could never have predicted and she recognizes it immediately. It isn't what anyone thought or imagined it's something far more sinister something that should be impossible. And it's spreading.

The Collected Poems of Philip Lamantia Philip Lamantia, 2019-10-22 The Collected Poems of Philip Lamantia represents the lifework of the most visionary poet of the American postwar generation. Philip Lamantia 1927-2005 played a major role in shaping the poetics of both the Beat and the Surrealist movements in the United States. First mentored by the San Francisco poet Kenneth Rexroth the teenage Lamantia also came to the attention of the French Surrealist leader Andr  Breton who after reading Lamantia's youthful work hailed him as a voice that rises once in a hundred years. Later Lamantia went on the road with Jack Kerouac and shared the stage with Allen Ginsberg at the famous Six Gallery reading in San Francisco where Ginsburg first read Howl. Throughout his life Lamantia sought to extend and renew the visionary tradition of Romanticism in a distinctly American vernacular drawing on mystical lore and drug experience in the process. The Collected Poems gathers not only his published work but also an extensive selection of unpublished or uncollected work the editors have also provided a biographical introduction.
