Black Liberation George M. Fredrickson, 1996-10-31 When George M Fredrickson published *White Supremacy A Comparative Study in American and South African History* he met universal acclaim David Brion Davis writing in The New York Times Book Review called it one of the most brilliant and successful studies in comparative history ever written The book was honored with the Ralph Waldo Emerson Prize the Merle Curti Award and a jury nomination for the Pulitzer Prize Now comes the sequel to that acclaimed work In *Black Liberation* George Fredrickson offers a fascinating account of how blacks in the United States and South Africa came to grips with the challenge of white supremacy He reveals a rich history not merely of parallel developments but of an intricate transatlantic web of influences and cross fertilization He begins with early moments of hope in both countries Reconstruction in the United States and the liberal colonialism of British Cape Colony when the promise of suffrage led educated black elites to fight for color blind equality A rising tide of racism and discrimination at the turn of the century however blunted their hopes and encouraged nationalist movements in both countries Fredrickson teases out the connections between movements and nations examining the transatlantic appeal of black religious nationalism known as Ethiopianism and the pan Africanism of Du Bois and Garvey He brings to vivid life the decades of struggle organizing and debate as blacks in the United States looked to Africa for identity and South Africans looked to America for new ideas and hope The book traces the rise of Communist influence in black movements in the two nations in the 1920s and 30s and the adoption of Gandhian nonviolent protest after World War II The story of India s struggle however was not to be repeated in either America or South Africa in one nation nonviolence revealed its limitations encouraging splits in the civil rights movement in the other it failed fostering an armed struggle against white supremacy Fredrickson brings the story up through the present exploring the divergence between African American identity politics and the nonracialism that has triumphed in South Africa In a career spanning thirty years George Fredrickson has won recognition as the leading scholar of the struggle over racial domination in the United States and South Africa In *Black Liberation* he provides the essential companion volume to his award winning *White Supremacy* telling the story of how blacks fought back on both sides of the Atlantic

Collected Papers II A. Schutz, 1976-10-31 Elsewhere 1 we were concerned with fundamental aspects of the question how man can comprehend his fellow men We analyzed man s subjective experiences of the Other and found in them the basis for his understanding of the Other s subjective processes of consciousness The very assumption of the existence of the Other however introduces the dimension of intersub jectivity The world is experienced by the Self as being inhabited by other Selves as being a world for others and of others As we had occasion to point out intersubjective reality is by no means homogeneous The social world in which man finds himself exhibits a complex structure fellow men appear to the Self under different aspects to which correspond different cognitive styles by which the Self perceives and apprehends the Other s thoughts motives and actions In the present investigation it will be our main task to

describe the origin of the differentiated structures of social reality as well as to reveal the principles underlying its unity and coherence It must be stressed that careful description of the processes which enable one man to understand another s thoughts and actions is a prerequisite for the methodology of the empirical social sciences The question how a scientific interpretation of human action is possible can be resolved only if an adequate From De sinnha te A II ball tler sowuen WeU Vienna 1932 2nd ed 1960 Sektion IV Strukturanalyse der Sozialwelt Soziale Umwelt Mitwelt Vorwelt English adaptation by Professor Thomas Luckmann Public Papers of the Presidents of the United States United States.
