

South African Nursing Council

Regulating nursing, advocating for the public

The colour turquoise is taken from the SANC Coat of Arms to ensure a link with our heraldic emblem

The stethoscope is a universal symbol used in healthcare by professionals within the medical industry

The oil lamp is a universal symbol reminiscent of Florence Nightingale, and by implication of nursing throughout the world

The red is symbolic for its association with healing

The SANC slogan "*Regulating nursing, advocating for the public*" reflects the essence of what the SANC does - it regulates the Nursing and Midwifery professions by establishing and maintaining nursing education and training as well as practice standards; it also advocates on behalf of the public in matters concerning nursing.
