**Balancing the Big Stuff** Miriam Liss,Holly H. Schiffrin,2014-08-07 While the current conversation about work family balance and having it all tends to focus on women both men and women are harmed when conditions make it impossible to balance meaningful work with family life Yet both will benefit from re evaluating what it means to have it all and fighting for changes in their relationships and society to make greater equality possible Here Miriam Liss and Holly Hollomon Schiffrin discuss the ways in which we all define having it all and how we can obtain it for ourselves through a better evaluation of what we want from ourselves our families our jobs and each other Determining a 50 50 division of labor around the house may not be the thing that works for everyone Working from home or not at all may not be the thing to bring us satisfaction but learning what studies show and how to feel balanced and make those decisions to bring balance is crucial The authors argue that people can find balance in their roles by doing things in moderation Although being engaged in both parenting and work is good for well being people can avoid

the pitfalls of over parenting and over working They show that balance can come from a meaningful consideration of what happiness and contentedness mean to us as individuals and how best to achieve our goals within the limitations of our current circumstances They illustrate that balance is not simply an individual problem Social issues such as the lack of parental leave flexible work schedules and affordable high quality child care make balance difficult With attention now on the issue they argue that it s time men and women advocate for better services and better opportunities to achieve balance happiness and success in all their roles

**Bible Truth or Church Tradition** Melvin Maxwell,2014-10-22 With an estimated 34 000 Christian denominations around the world all claiming to have the truth it can be confusing as to whom to believe Yet when we turn away from human traditions and creeds and rely solely on the Word of God our confusion disappears and is replaced with understanding Bible Truth or Church Tradition documents author Melvin Maxwell s personal study of the beliefs and doctrines of today s mainstream churches in an effort to determine which world church adheres most closely to the teachings of the Bible His discussion of non biblical traditions within Christianity will make readers think about what they believe and are practicing and if it really follows the Bible
