Personal Financial Planning Case Studies:

A Handbook of Case Studies in Finance Tarika Singh, 2017-06-20 This book links the theory of finance to the decisions related to various aspects of the financial management of an organisation In order to provide the reader with a better understanding of the concept of finance a theoretical guide to related terminology is included here The case studies brought together require students to look deep into the concepts of finance in order to solve the problems and issues they present The case studies here focus on important concepts of finance which help students to relate the concept with decision making processes Case Studies in Management and Business (Volume 4) (UUM Press) Soon Jan Jan, 2018-01-01 This is the fourth

volume of the compilation of case studies by UUM s Institute of Management and Business Research IMBRe Following the successful publication of its three predecessors the current Volume 4 selects and includes the best Malaysian case studies in the broad areas of management economics and marketing It is IMBRe s aspiration to encourage both academics and students to embrace the case study approach as an effective pedagogical tool The cases are designed and written by academics to be used for both undergraduate and postgraduate courses in which the academics themselves more often than not serve as instructors Although each case is written specifically to cater for a particular course it can be adapted for other related courses
