Rccg Children Manual:

MANUAL FOR PARENTING Funfair or Warfare? Edward Esiri Company,2024-07-26 It is the joy of every parent to see their grandchildren Unfortunately there are some grand fathers and mothers whose children refuse them the privilege of the joy of meeting their grandchildren They know they have grandchildren but their children refuse to bring the children to see their grandparents or invite the grandparents over to their home This is very sad and unscriptural There are many reasons for this type of behavior among some children one of which is parental negligence absenteeism wickedness brutality ungodly comparison bitterness evil practices uncaring children etc Every manufacturer adds a manual to their product to enable the buyer to operate the item This is the manual for parenting God s children So Manoah asked him When your words come true what kind of rules should govern the boy s life and work Judges 13 12 THIS IS A PARENTING BOOK LIKE NO OTHER It is parenting your children from SEED The womb to HARVEST maturity **A New Paradigm of Pentecostal Power** Asonzeh F. K. Ukah,2008 Ukah describes with great historical and sociological incisiveness one of the prime movers of this transformation the Redeemed Christian Church of God RCCG which has more than 10 000 congregations in more than 80 countries around the world *How to Train Virgins and Why!* Samuel DanAuta,2014-04-22 This book does not esteem virginity more than the person NO The young boy or girl is much more than the hymen the hymeneal blood the foreskin and the sexual experience But the point here is that there is a great connection between the destinies of every human being on earth with their sexual experience in and outside of marriage The mystery here is not what you will read in popular books There are dozens of Christian books on sex that relegates virginity One thing stands sure the word of God The word of God will never go out of place it is the oldest book with the latest revelation and information Gods standard on sex is the same from Genesis to Revelation This book has revealed ancient secrets of the hidden power in sexual purity virginity and how parents and guardians can use these secrets to train virgins to do great exploits in life The entire book captures the story of a single mother who depended on God for wisdom and succeeded in training four virgins **Practices for the Refounding of God's People** Alan J. Roxburgh,Martin Robinson,2018-05-15 Speaks to the bewilderment and helplessness many churches feel in the face of current events Practical new interpretation of changes in the West Throughout its history the church has faced crises of meaning and identity in all kinds of changing contexts The crises facing the churches of the western hemisphere today are no different At their best churches have recognized that their challenge is not their own fixing or even reformation but a deep engagement with the ways the gospel transforms society This book explores how this can happen again in a radically changing western world *THE WONDERS OF PRAISE* O. V. O. AYOOLA,2014-09-22 **Christianity, Sexuality and Citizenship in Africa** Adriaan van Klinken,Ebenezer Obadare,2020-06-04 This book explores the interconnections between Christianity sexuality and citizenship in sub Saharan Africa chronicling the ways in which citizenship in the region has undergone profound changes in recent decades as a result of growing interaction between

Christianity and politics the impact of the HIV epidemic debates about women s reproductive rights and the growing visibility of lesbian gay bisexual and transgender LGBT communities Case studies examine the emergence of Christianity especially in its Pentecostal Charismatic forms as a public religion and how this emergence has meant that Christian actors beliefs and practices have increasingly come to manifest themselves in the public sphere The contributors assess how many political and religious leaders are invested in a popular ideology of the heterosexual family as the basis of nation building and how this defines narratives of nationhood and shapes notions of citizenship Additional case studies focus on the emergence of sexuality as a critical site of citizenship and nationhood in postcolonial Africa and address the difficulties that LGBT communities face in claiming recognition from the state Offering case studies from across sub Saharan Africa and spanning several academic disciplines and critical perspectives this book will be of interest to researchers seeking to understand the complex intersections of religion sexuality politics and citizenship across the region This book was originally published as a special issue of Citizenship Studies **Walk in His Ways** Church of Jesus Christ of Latter-day Saints,1987 **Tell** ,2006

Deliverance from Evil Visitation O. J. Kuye,2015-01-09 Many children of God suffer untold hardship in life and that is the principal reason for adding this book to the rich resources that are available on the all important subject of deliverance Many children of God have suffered adversities and some are currently going through some adversities not because God wants it that way but because of ignorance The starting point for securing freedom from any form of bondage is knowledge and that is the primary motive of this book This book and the first volume are aptly titled manual or yellow pages of deliverance and prayers because they give us the guidelines on how to fight the battle of life by ourselves in such a way to secure total victory I encourage you to use this volume two after volume one or in conjunction with it It will be disingenuous to want to fight the battle of life by yourself We are better positioned to fight and win when we join forces as believers In God s wisdom He says two are better than one This book is my contribution to joining you in fighting through to your breakthrough I am believing the Almighty God with every user of this manual that as you apply the contents they will bring you ultimate victory from every adversity in Jesus name Amen Instructions for Children and Others: by Way of Question and Answer Samuel
