The FBI Story United States. Federal Bureau of Investigation,2016 *Vanished* Carlton Smith,2005-08-02 Jana Carpenter Koklich and Bruce Koklich seemed like the ideal couple She was an attractive 41 year old blonde the doted on only child of a once powerful California state senator He was the dedicated and loving husband Together they owned a lucrative Norwalk California real estate business and a computer business owned a pair of luxurious houses and drove high end cars Then in August 2001 Jana Carpenter Koklich went to an Eric Clapton concert with friends She was never heard from again Bruce Koklich painted himself as the grieving husband He turned up on news broadcasts tearfully pleading for his wife s safe return But something wasn t right First of all there were inexplicable money problems that police traced back to some of Bruce Koklich s shadier business dealings Then there was the shadowy business partner who came out of the woodwork and the million dollar insurance policy on Jana Carpenter Koklich s life Topping it all off were the supposedly grieving husband s sleazy secret attempts to bed his 18 year old niece while his wife was secretly missing Eventually those who had been close to Jana grew suspicious of the man she had married And no one was more suspicious than her father former State Senator Paul Carpenter He was dying of cancer in Texas but still found in his decaying body the strength for one last fight It would be the fight of his life Justice for Jana Carpenter Koklich Finally in late 2003 after Jana s blood stained car had been found a California jury convicted Bruce Koklich for her murder and sentenced him to fifteen years to life in prison Paul Carpenter did not live to see justice done **College Girl, Missing** Shawn Cohen,2024 When Lauren Spierer a gregarious young woman at a crossroads in her life vanished from Indiana University in 2011 her story drew global attention from celebrities and news outlets such as People magazine CNN Fox News and USA Today What made the case so confounding to those outlets was that the 20 year old was out with dozens of classmates in a bustling university town on the night she went missing She was seen in public by witnesses and security cameras and ended up in a townhouse complex with several wealthy well connected male students never to be seen again Despite the media frenzy surrounding the case the police investigation went nowhere and her body was never found Armed with the support of Lauren s parents and never before seen evidence that chronicles a cover up a botched investigation conflicting testimony and new interviews Cohen leads readers through a gripping narrative before finally shining a light on those often forgotten in true crime the innocent people left behind College Girl Missing will provide an incisive look at Missing White Woman Syndrome to expose the prejudice in true crime reporting and demonstrate how the excessive media coverage that Lauren received paradoxically damaged the quest to bring her home *Vanished* Carlton Smith,2005-08-02 Jana Carpenter Koklich and Bruce Koklich seemed like the ideal couple She was an attractive 41 year old blonde the doted on only child of a once powerful California state senator He was the dedicated and loving husband Together they owned a lucrative Norwalk California real estate business and a computer business owned a pair of luxurious houses and drove high end cars Then in August 2001 Jana Carpenter Koklich went to an Eric Clapton concert with friends
